Year Lives Again In 1951 Indian

Our year, 1951, began with new faces at the head of AHS, a new principal and vice-principal. We became acquainted with the new high school and superintendent's offices, rooms, and public address system.

Work was the order of the day for a few week, but then convocations and pep sessions entered the scene. Clubs were soon organized and various projects started. Parties and dances began to pop up nearly every week end. Sports, as always, played an active part in our school year with brilliant victories and heartbreaking defeats. We survived one of the worst winters in history, and spring soon came, and everyone longed for summer vacation.

So, just as our Indian mascot greets entering students, our yearbook, The Indian, greets you with a story of the year in review.

Courses of Study Prepare Students For Future Life

Why do we go to high school? Why prepare for our future life? On this and the following pages we will show in words and pictures the way Anderson High School prepares its students for life. You will view each of the seven courses of study that we seniors took, and all the extra - curricular activities that make school life enjoyable. These are the factors that distinguish our school from others.

Scientific Engineering Wizards

B. R. Stewart explains physics problem to perplexed class

Laboring industriously at his drafting is Richard Harper

Scientific wizards are what the Technical Course guarantees to turn out. Its main aim is to prepare students for engineering jobs. Students graduating on this course have passed a stiff curricula of math, English, and science, and should be well prepared for technical college. Thus far all students taking this course have been boys, but who knows, maybe some of the girls will turn out to be Lady Einsteins.

College Preparatory Offers

Mysteries unfold under the microscope in zoology class.

Pupils show appreciation as L. J. McClintock tells funny story—in Latin

A well-rounded liberal education along with preparation for college, makes the College Preparatory course both interesting and attractive, especially for those interested in college. In some cases, graduates can leave out certain requirements in their freshman year at college. This course should appeal to those who are scared limber at the idea of college, because it practically guarantees to make that first year easier.

Business Course Service Places

Adding machine proves helpful to students who struggle with bookkeeping

Students bow heads for speed in typing class

Some 95 percent of the would-be business executives taking the Business Education course are placed in good clerical positions positions by the placement bureau. One of the first things beginning typists learn is to strive for both speed and accuracy. This is so well achieved that no doubt many of our male graduates will be big executives and perhaps have some pretty AHS secretaries sitting on their laps. Students are also counseled to find out the type of jobs they are best suited for.

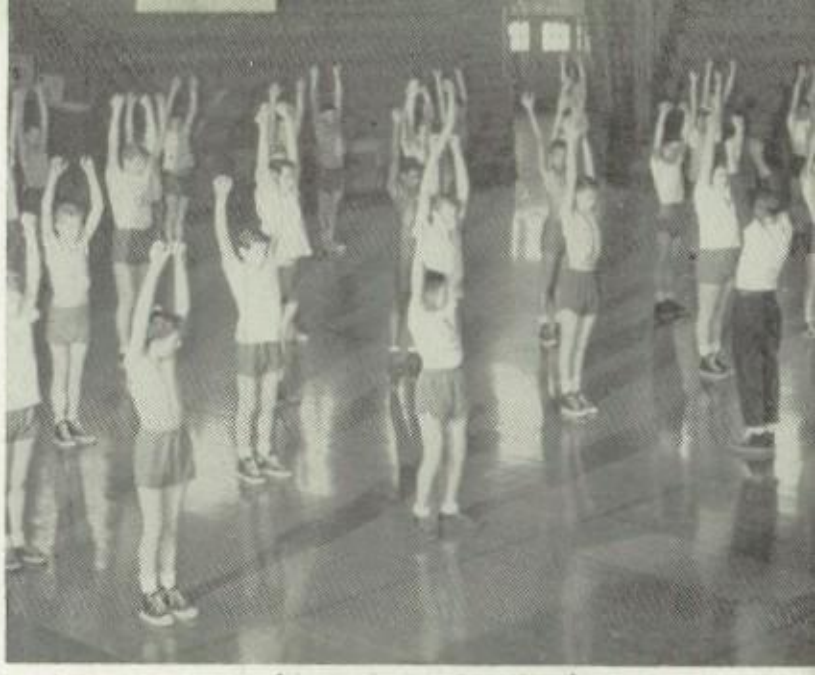
Students May Branch Out



Student teacher leads freshman in calisthenics

Driver training students look for horses, reputed to supply power.

A general education for those not sure of their plans for the future is the aim of the popular General course. Students branch out into the subjects that interest them most, because of the few fixed requirements. Graduates may enter college if they have chosen the proper electives. The course is arranged so that a student comes out with the required majors and minors, but with the many electives, a varied course is possible.

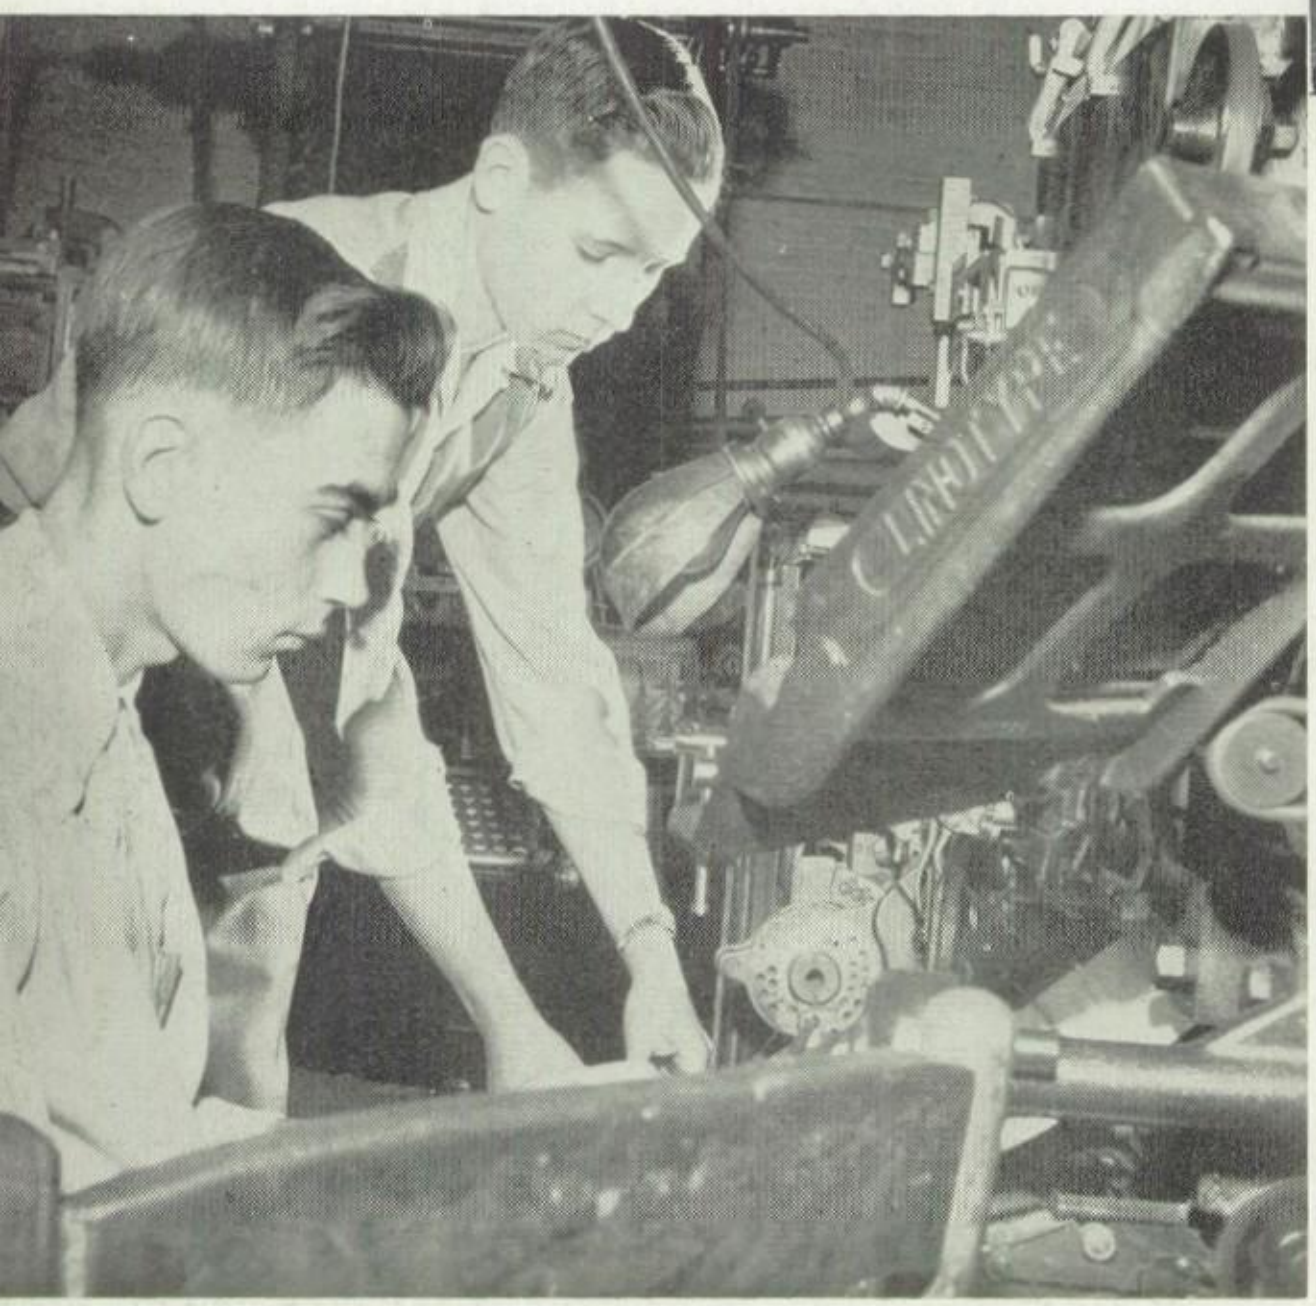
Jobs In Industry Are Goals

Steve Pakes tells Evelyn Hodson all about this big world we live in



The linotype, operated by Stanley Hancock and Charles LaValle, casts metal into molds, forming type, in first step in printing process

Students wanting to choose industry as a career and perhaps become one of those so-called industrial giants, follow the pre-apprentice course. Even though it trains primarily for entrance into industry following graduation, one could also enter college. While the first two years of one's high school career are devoted to applied subjects, in the last two years the student can branch out and specialize in the work he particularly likes. This is indeed a good course for one planning to specialize in one particular field.

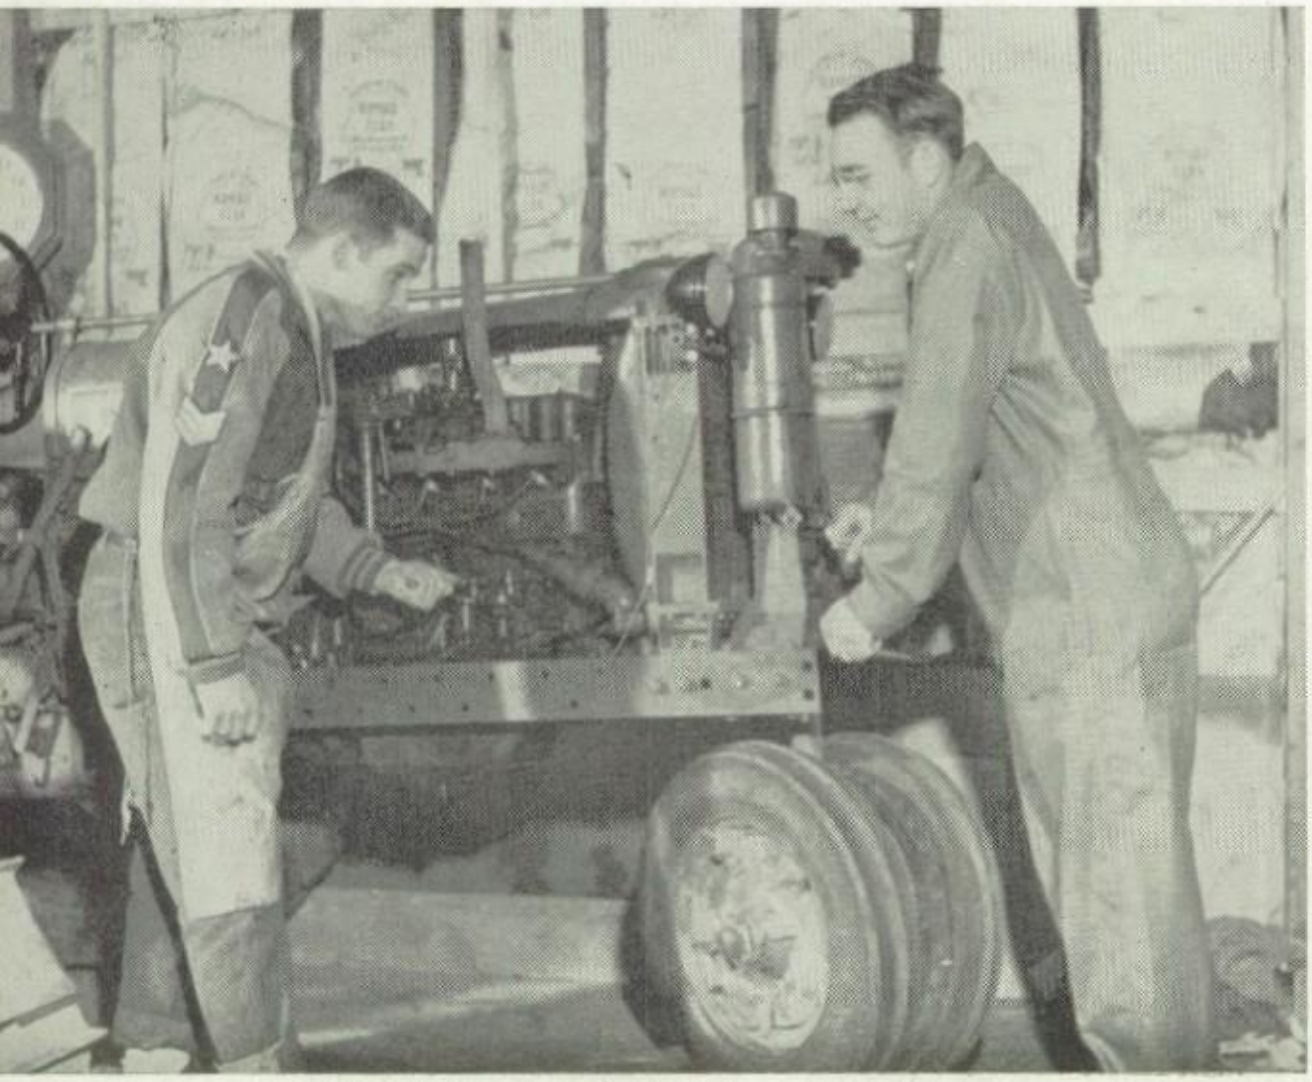
Farming More Than Scattering Seeds Vocational Agriculture Boys Learn

Education is essential for successful farming as Ag boys realize



A knowledge of mechanics also comes in handy

It takes more than just the ability to scatter seeds to make a farm pay, nowadays. A boy who takes the Vocational Agriculture course is not only prepared to make a go of farming upon graduation, but to enter any agriculture college. Among the activities enjoyed on this course are field trips to actual working farms, attending the livestock show in Chicago, and the state vegetable judging contest at Purdue.

Domesticity Stressed In Vocational Home Economics

Future homemakers take a big stitch in time

If they had known the cameraman was coming, they would have baked a c

"Best meal I have ever eaten!" This is what the home economics students hear after their dates eat one of their meals. And this isn't all they learn to do. Think how much bigger their wardrobes are since they can make some of their own clothes. Also courses designed to help in dietetics, teaching, nursing, interior decorating, and designing are offered. Almost one - half of the girls in AHS take some of these courses, which goes to show that a lot of girls are still domestically inclined.

Unofficial Course of Study

Kent Poore hits two-handed jump shot in opening game of regional against Brownsburg

Another important course of study at AHS has no official title. Its curriculum includes convocations, pep sessions, sports, dances, the drama, a carnival, and informal parties and get - togethers, all extra - curricular activities helping in the AHS plan for building a richer student life.

Sports were probably tops for spectators with the climax coming in the 81-80 regional thriller with Attucks.

AHS also had a boy king, Beau Brummel, reigning at a dance. The Junior Prom, with its theme, "Heavenly Haze," again was the outstanding social event. Student Council sponsored "The Spring Fling," and the juniors won inter-class activities.

Soft Music, Crowd Set Stage For Queen Carolyn

The music played softly as the crowd began to gather at the Eagles Ballroom. Yes, this was the biggest and most important dance of the year, the junior prom, and the brisk evening air of June 1 would have put anyone in the mood for dancing.

Crowning of the prom queen, Carolyn Stewart, was the main event of the evening which was the beginning of a gala week of senior activities.

Attending Carolyn were Mary Roberts and Donna Holiday. These junior beauties were elected by the boys of their class and received their crowns from last year's queen and attendants. Although the girls ranked at the top among their class members, the election was very close.

After a wonderful evening of dancing the crowd departed. Another AHS prom was a success. The months of preparations by the 11 committees of juniors had made it so.

Long Awaited Senior Week Meant

What do AHSers look forward to from the time they enter school? Why Senior Week of course! For Seniors this means a week of fun. Picnics, theater parties, dances, and athletic contests were arranged to give grads a real send off.

DRIVE - IN THEATRE PARTY

Shown in the first picture is the committee for the drive-in theater party. They are Jennie Tudor, Susie Gudgel, Barbara Roush, Sue Breece, Don Gulmire, Kenny Rhea, Dick Jones, and Paul Worley.

GIFT COMMITTEE

The second picture shows the gift committee at work planning the gifts to be presented the school by the class of '51. They are, seated, Sue Priest and Martha Craig; standing, Paula France, Nancy Stansberry, Sue Harmon, and Rita Sue Byrum.

UPPERCLASS ATHLETICS

Jerry Phillips, Tom Delph, Tom Williams, Sue Evans, Ed Campbell, and Rose Ellis seem to be hard at work planning the Junior-Senior Athletic contests.

SENIOR TALENT CONVO

The Senior Talent convo, one of the most entertaining of the year, was planned by the group in the last picture. They are, seated Dick Thompson, Barbara Lusher, Susie Johnson, Janie Coffin; standing, Bob Thompson and Don Hill.

TEA AND LUNCHEON GROUP

Ruth McElderry, Susie Johnson, and Carolyn Seybert, seated, arranged the annual A.A.U.W. tea this year.

The Senior - Faculty Luncheon was a success having been planned by, standing, Beverly Porges, Eddie Myers, Dick Canterbury, Sabra Ann Zierer, Pat Jones, John Durrer, and Donna Miller.

SENIOR-FACULTY DANCE

The Breakfast Dance was discarded so as to make the Senior Faculty Dance bigger and better than ever.

Hal McIntyre's orchestra furnished the musical portion of the program.

The dance committee includes, row 1, Elaine Schock and Doris McFadden; row 2, Judy Eglen, Maureen Carroll, Berniece Walker, Bobby Jo Handley, and Shirley Lefler; row 3, Jerry Rose, Larry Hines, June Greene, and Bob Thompson.

SENIOR PICNIC

Picnics are always fun but the Senior picnic was especially enjoyable. It came off smoothly after being arranged by Janie Hardin, Barbara Jackson, Bill Mclain, Keith Walton and Don Current.

As before, it was held at Forrest Park in Noblesville.

Queen Dances Down Aisle As AHS Honors Fall Sports

"A pretty Girl Is Like A Melody" was the refrain to which Suzanne Johnson, Fall Wind - Up Queen, and her escort dance down an aisle formed by other couples attending this year's Fall Windup.

Sponsored by the student Council, the dance is given every year in honor of fall athletes. Held at the Edgewood Country Club, the dance highlights the closing of fall sports, cross country and football. The honorary football captains, Loren Frendt and Dale Porter, and cross country captain, Don Dixon, presented a gift to the queen.

Cupids, Hearth, And Sweetheart Feature DeMolay Ball

Amid cupids and hearts, signifying the spirit of a typical valentines dance, Dixie Mundell, junior, was selected Sweetheart of DeMolay. Sponsored by DeMolay, the Sweetheart Ball is held annually at the Naval Armory.

Many couples swirled and whirled this year on February 10, to the music of Whitey Howard and his orchestra. A beautiful ring was presented to the queen by Bill Stoner, Master Councilor of DeMolay. This dance, one of the largest semi-formal affairs of the year, is widely anticipated by all Anderson high school students.

Presentation of flowers to the queen, Dixie Mundell, by Bill Stoner, Master Councilor of DeMolay, was the highlight of the evening at the Sweetheart Ball.

Many students enjoy dancing in the Naval Armory at the DeMolay Sweetheart Ball.

Cheerleaders, Pep Committee And Mascots In AHS Sportlight

Football and basketball brought into the sportlight of Anderson High School the four cheerleaders. Featured in their red and green, they led the crowd in old and new yells throughout the year. The Indian chief and his maiden also added color with their war-dance before every home game.

PEP SESSIONS COMMITTEE—Seated, Gene Rains, Diane Stearns, Bill Stoner, Elaine Schock, Phyllis Achenbach, Hobart Haney, Judy Eglen, student chairman, and Don Current. **Standing,** David Green, Miss Lois Long, Clifford Swift, Donald Bowen, Miss Mary Ruth Palmer, Robert McDowell, faculty chairman, Mrs. Barbara Dietrich, Richard Rencenberger, Thomas Clem, and Jim Ault.

Working very hard on all details of each pep session and receiving very little credit is the Pep Session Committee. This year's heavy calendar consisted of special stunts on pep sessions, Red and Green Week, and new election of cheerleaders, chief and maiden.

Early in the Spring, Student Council decided that AHS will have six cheerleaders next year instead of the traditional four.

Convocations Present Bits Of Sugar Coated Education

Pi's exact sum and the author of Canterbury Tales may be forgotten by AHS "guys and dolls" after graduation, but chances are memories of an Indian war dance, a brass choir, or that certain student stunt will remain.

Yes, the convos were a vital part of student life. Each program contains bits of sugar coated, capsuled education. Disguised as entertainment, knowledge makes painless progress.

This year's convos included student council initiation, fire prevention, student talent, Christmas, Thanksgiving, band concert, and basketball awards.

Other highlights in the convocation year were Eagle Plume's appearance, Dutch dancing, "The Singing Hoosiers," a talk on Australia by Miss Constance Neville John, Career Day, Captain Michael Fielding's talk on Asia, vocal music, honor days, and the senior talent.

Shows Range From Pep To Comedy And Culture

Students enjoy a cultural music program presented by the Brass Choir of Indiana University. The I. U. coed was the hit of the show.

X-Ray Staffers Strive For 25 Issues of News

Twenty - five issues, chocked full of news, is what the staff of the X-Ray strives to put out each year.

In addition to the editors and reporters, a business manager takes care of advertising.

FIRST SEMESTER EDITORS—Seated, Charles Surface, editor-in-chief; Sue Priest, assistant news editor; and Paula France, news editor. **Standing,** Judy Trick, feature editor; Tom Delph, sports editor; anice Safford, managing editor; and Jerry Levi, business manager.

Jim Greenland is the photographer who is responsible for the four or five weekly pictures.

Most students probably don't realize just how much work really goes into putting out each issue of the school paper.

Early in the week, one of the editors checks the high school office for all events coming up within the next week or so. Assignments for each Friday issue are made the previous Thursday and Friday, and stories must be in on Monday and Tuesday. These deadlines must be met in order for the paper to be printed on Thursday afternoon. The finished product then comes out to the student body on Friday morning.

SECOND SEMESTER EDITORS—Eileen Bell, news editor; Paula France, managing editor; Mary Reed, feature editor; Jackie Davis, asst. feature editor; Jerry Levi, news editor; Frank Woschitz, adviser; Tom Delph, editor-in-chief; George Rector, business manager; and Lowell Williams, sports editor.

SECOND SEMESTER REPORTERS—Carl Wright, Judi Barnard, Janet Hamilton, Peggy Cook, Mary Kauffman, Connie Laman, Carolyn Kline, Lynell Kugler, Vivian Petry, Dick Cumberland, Norma Hellems, Sue Roland, and Juanita Smith.

Printshop's Work Runs Into Thousands of Articles

Without the print shop, Anderson high school would have trouble running.

It would take columns to tell of the thousands of file cards, book lists, report cards, and other services in the printing line that the AHS print shop does. In addition to these, they print The X-Ray and The Indian, AHS yearbook. The X-Ray requires four days a week to print. The shop also prints basketball tickets which takes six weeks.

Six periods a day the print shop boys are in Room 9. Each class is three periods long. There were 21 boys working last s e m e s t e r. Somehow, though, actual c l a s s r o o m work is done, and there are practice and lecture sessions.

Annual Staff Reaches Goal, The 1951 Indian

In room 8 the 7th period each day were twelve members of the annual staff, putting together brains, brawn, and fun to arrive at the ultimate goal, the 1951 Indian. But doing this wasn't an easy task.

We started the year with a new advisor, Frank Woschitz, and he had to learn what phases of school life rated top play right along with everyone else. After the preliminary tasks of selecting a theme and a

cover were completed, we got right down to work on underclass pictures, senior panels and shots taken by our school photographer, Jim Greenland, who took ninety pictures for this year's yearbook. For enjoyment we took trips to Franklin and Chicago for eduational press conferences.

Gaining experience with each completed task, we found that the work grew easier. The writing of copy and headlines put the finishing touches on the books, and then the print shop boys went to work.

Only someone who has worked on the annual can know the thrill of seeing the completed book and knowing that he played a part in producing it.

Student Opinion Acted Upon By Council Representatives

It is generally agreed that a representative government is most successful. For that reason, students here at AHS may bring out their opinions before representatives of all home rooms, from 1A to 4A, through their own Student Council representative.

Meetings are held each Wednesday in room 207. Problems are discussed and projects for school betterment are initiated.

In this, its thirteenth year, the Student Council did more than ever before to bring AHS's 2,300 students closer together. Some of its projects are pictured on the next page and throughout The Indian for the Council is a vital part of student life

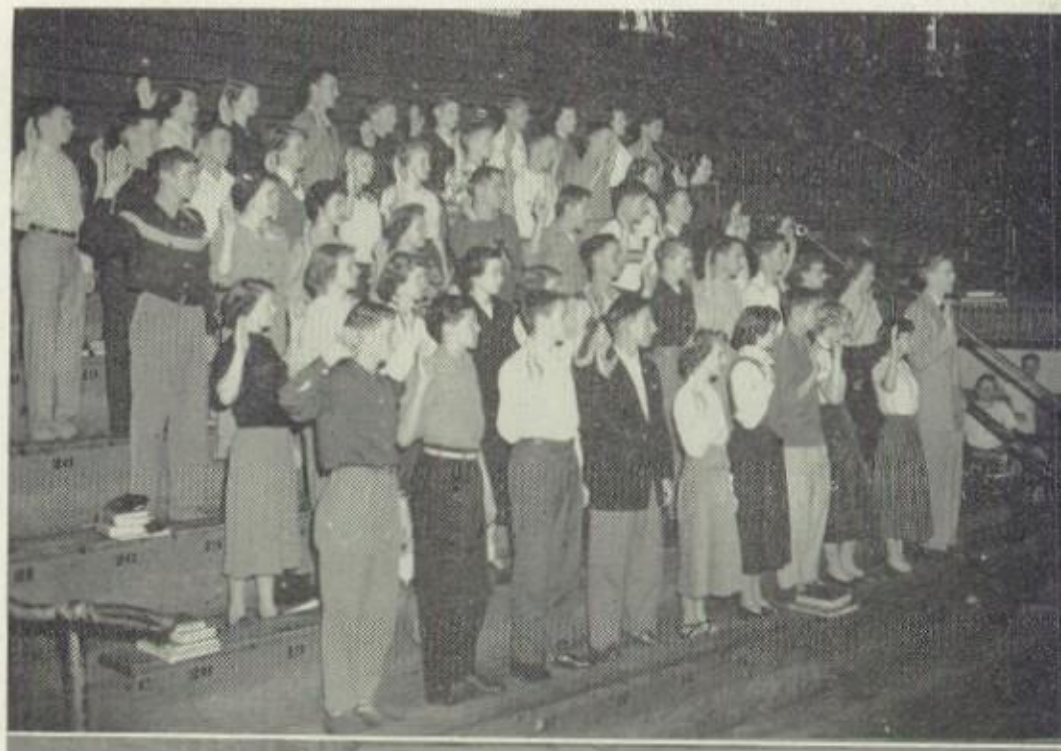
Hard Work, Effort, And Interest Behind Student Council Actions

Hard work, effort, and a sincere interest in school policies and plans have enabled members of Student Council to take pride in this year's AHS history.



Student Council members take a pledge early in the year before assuming their duties

They backed the honor study halls for the eighth year, the monitor system and the one-way stairs plan. To show their interest in betterment, they even disbanded this rule for several days to prove that it was most efficient.

They stimulated courtesy and manners through their "Better Habits Week" in April.

Two of the highlights of the year were sponsored by them. They were the "Fall Wind Up" dance, and the "Mardi Gras" carnival.

James Kem, Bruce Madren, June Greene, Mary Lou Rhodes, Bruce Poore, and Sue Lisby are "buyers and sellers" in the book exchange

They supervised the class elections and the publishing of the student handbook; they provided a new information desk, a new school flag, and a resolution calling for six cheerleaders.

For the first time in AHS history a cheering block for the basketball games was successful. These Pepooses were sponsored by the Student Council.

They again provided the book exchange at the start of each semester. This gave students a chance to sell old books and buy used ones.

Don LaPierre, Jerry Sandifer, Kenny Rhea, Dave Green, Carolyn Cook, Angela Sprague, and Mary Lou Rhodes help boost Clean-up week

They co-operated with city officials during Anderson's Clean-Up Week, and then following the Mardi Gras they sponsored a Clean - Up week for AHS for the purpose of cleaning up lockers, yards, and desks. A queen and king for this event were chosen.

They also sold Club Tom-Tom memberships and provided for a lost and found headquarters in the front hall.

Monitor System Employed To Promote Efficiency

To promote school efficiency and provide a system for referring absentees to the dean, a monitor system is employed here at AHS. These hall officers are under the supervision of a head monitor stationed in the front hall. The head monitors are in turn directed by teachers assigned the various periods.

FALL SEMESTER HEAD MONITORS—Top Picture—Lowell Williams, Janice Patterson, Janice Safford, Roberta Seal, Dick Canterbury, John Vajner, and Dan Schuyler.

SPRING SEMESTER HEAD MONITORS—Second Picture—Bruce Poore, Eilene Ellis, Suzanne Lindsey, Don Wilson, Lora Jo McGonigle, Joretta Edgecomb, and Nancy Childes.

SPRING SEMESTER HONOR STUDY HALL MONITORS—Third Picture—Eddie Campbell, Beverly Porges, Shirley Lefler, Dan Schuyler, and Ronnie Bowman.

Honor Study Halls Build Leadership and Character

To give students a chance to supervise themselves, and thus promote leadership and character, the Student Council set up Honor Study Halls. One student serves as monitor and takes care of seating, attendance, and any other problems that might arise. As in recent years room 207 was used five periods each day for this purpose. A pledge must be signed by each student applying for this privilege.

SIGHT SEEING IN WASHINGTON—In the upper left picture, AHS students gaze with awe at the 19 foot statue of Abraham Lincoln in the Lincoln Memorial. Barbara Davis poses with an Indianapolis visitor in front of the Supreme Court Building in the next picture. Carl Pavey, J. J. Bailey, sponsor, Ronnie Mengal, and Fred Maker look out over Washington from the steps of the Supreme Court Building. In the lower left picture, Evalee McKee and Mr. Bailey see how it feels to be locked in the stocks at the Williamsburg Jail. A fountain in front of the Library of Congress furnishes a background for Sally Myers. Rita Sue Byrum is on the lawn of Mt. Vernon, George Washington's home.

37 Students Spend Hectic Spring Vacation In Washington, D. C.

Taking a trip to Washington D. C., 37 AHS students spent an interesting and educational, but slightly hectic, spring vacation. J. J. Bailey, social studies teacher, sponsored the trip which was taken this year for the fourteenth time.

On the afternoon of April 1, the group left Anderson enroute to Cincinnati, Ohio, where they changed trains and boarded the "George Washington". Upon arrival in Washington on Monday, they boarded a special bus for a tour before going to the Annapolis Hotel.

Group Visits F. B. I.

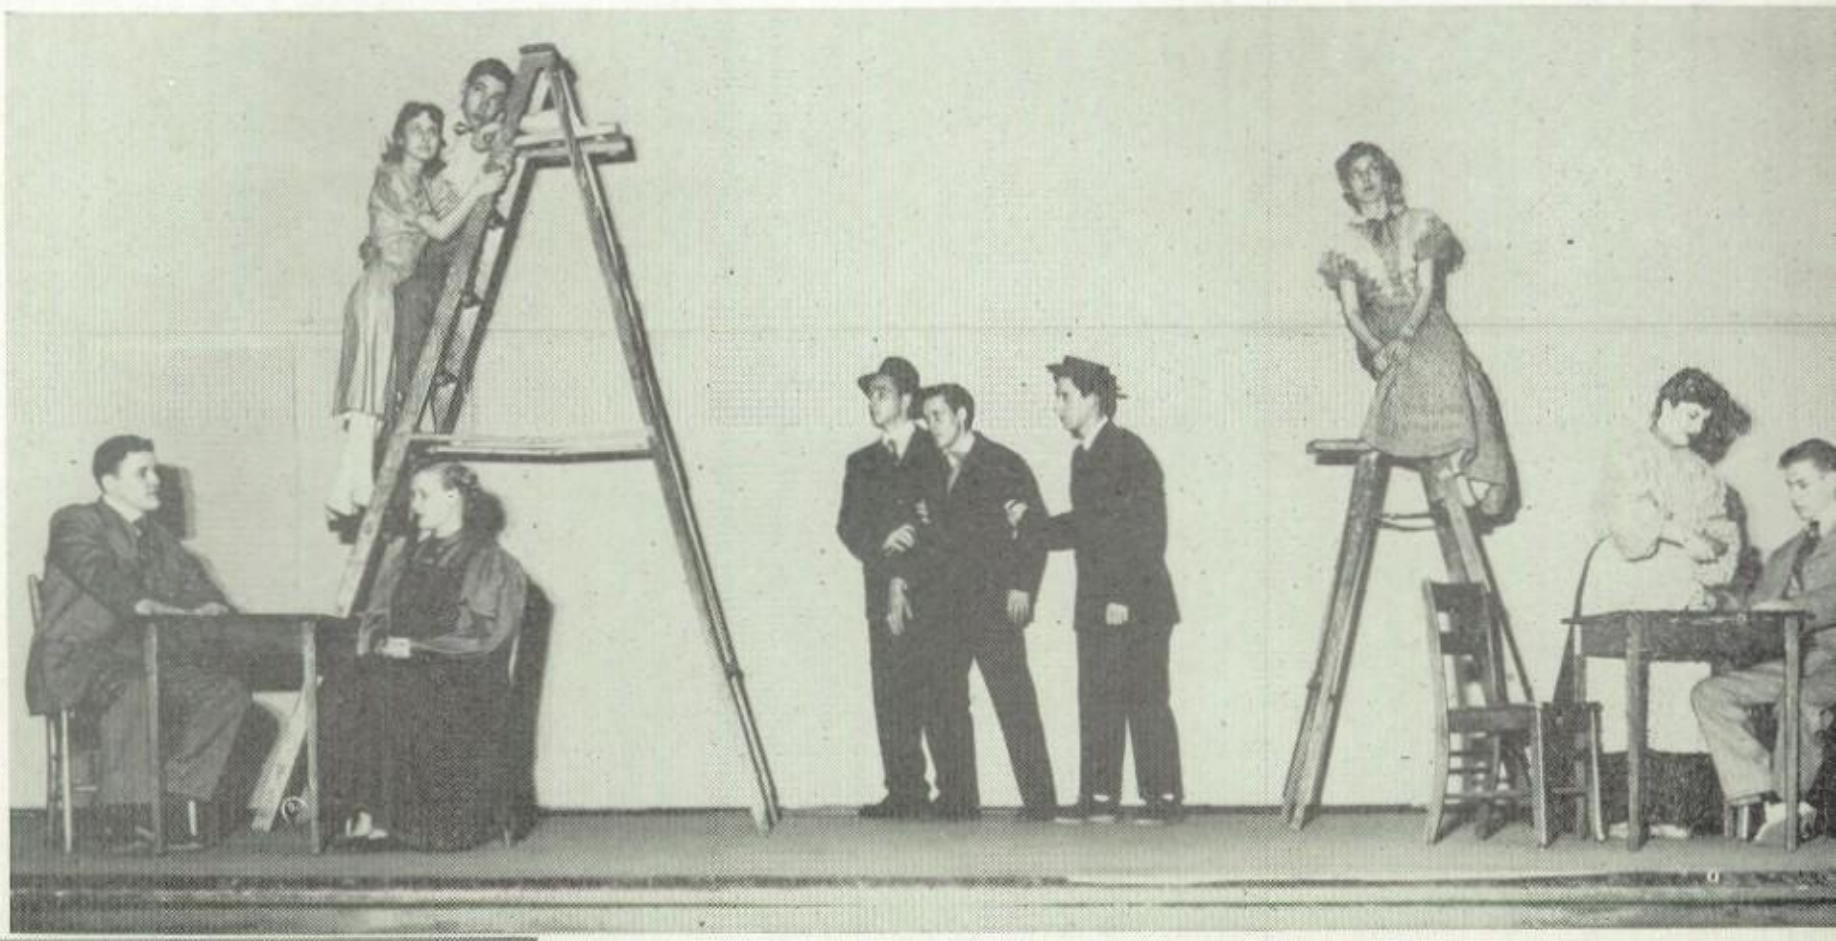
They visited the F. B. I., National History Museum, Old National Museum, Archives Building, Lincoln Memorial, Jefferson Memorial, The Pan American Union Building, and many others. One afternoon was spent on Capitol Hill visiting the U. S. Capitol Building, Supreme Court, and Congressional Library.

On the fourth day one of the longest and most enjoyable trips was taken through Washington's beautiful residential sections and Rock Creek Park. Stops were made at the zoo, Old Georgetown, Fort Meyer, and Arlington National Cemetery. The tomb of the Unknown Soldier and the National Amphitheater were toured before leaving Alexandria, Virginia.

Colonial Town Toured

A complete tour of Colonial Williamsburg, Jamestown, and Yorktown, were side trips that a few enjoyed.

These students visited the eighteenth Century exhibition buildings, which included the Governor's Palace, the Capitol, Gadby's Tavern, and the Wythe House.



MOONLIGHT NIGHT IN GROVERS CORNERS—Left to right on imaginary streets and in houses are Larry Highbaugh, Carolyn Mills, Don Hill, Don Weber, Charles Surface, Rita Sue Byrum, and Lowell Hardacre. On ladders, which depict upstairs rooms, are Judy Eglen, Dick Sowash, and Diane Stearns.

Lights, Music, and Action of 'Our Town' Portrayed In Senior Drama Production

Lights, music, action. Slowly the lights in the auditorium dim, and the senior class presents their play, "Our Town," by Thornton Wilder.

It is the story of a small town, Grover's Corners, New Hampshire, and the people who make the little town so real to every one of us. This play was presented May 3 and 4, by the Senior Dramatics Class under the direction of Miss Alice Higman.

Much hard work went into the play and many nights, the staff, as well as the actors, were at work in the auditorium. The audience took active part too, by using their imagination because there was no scenery and few props.

The production of "Our Town" was a valuable experience for every one who participated, every one who helped, and every one who saw it.

PRODUCING 'OUR TOWN'—Top Scene—Dick Sowash and Diane Stearns discover they're in love. **Second Scene**—Gene Lains marries Diane and Dick in the wedding scene. Guests are, First Row: Larry Highbaugh, Judy Eglen, Carolyn Mills, Lowell Hardacre, Rita Sue Byrum, and Jim Kline. Second Row: Don Hill, Elaine Schock, Charles Surface, Berniece Walker, Carole Thrush, and Barbara Jackson. Don Weber is at the organ. **Third Scene**—Miss Alice Higman, fourth from left, gives make-up secrets to Nancy Stansberry, David Ball, Ruth McElderry, Janice Safford, Berniece Walker, Sabra Zierer, and Evalee McKee. **Bottom Scene**—Beverly Porges, Eddie Myers, Marvin Webber, Keith Walton, and Shirley Lefler work backstage.

Crowd of 3000 Judges Work Of Commencement Speakers

Speaking before over 3,000 spectators in the AHS gymnasium is the reward for many hours of work put into the commencement speeches.

The speakers work their speeches over and over, practice them before small audiences, and make wire recordings. Even the alternates prepare a rough draft of their speeches.

"You Are What You Are," "Build or Destroy," "Choice by Americans," and "Creating Your Book of Life," were the topics chosen by this year's speakers.

AHS Clubs Develop Ability Needed To Get Along Well With Others

Learning to get along well with all types of people is a big part of everyone's life. Clubs at AHS help students to learn this important phase of living.

There are over 25 clubs for students who will work hard and take an interest. All are open to anyone, except for a few organizations which have requirements based on ability and aptitude.

Clubs emphasize sports, service, scholastic honors, dramatics, music, both vocal and instrumental, and vocational training. Almost 800 students participate in at least one school organization.

HI-Y CLUB—Row 1—Larry Hightchew, Bob West, Mike Armstrong, Dick Cumberland, Dick Beard, Bill Davis, Jerry Cook, Bill Stoner, Carl Wright, and Trent Masters. **Row 2**—Vic Peck, Neal Sibery, Don Dixon, Dick Jones, president; Jerry Phillips, vice president; Don LaPierre, treasurer; Don Current, secretary; Walt Copeland, Tom Delph, parliamentarian; Dick Wilkins, sergeant-at-arms; Dick Huntzinger, and John Boomer. **Row 3**—Frank Woschitz, sponsor; Dick Canterbury, Keith Gilchrist, Jack Collins, Bill Davis, Bill Parks, Verne Petry, Ed Campbell, Neel McCullough, Don Hunt, Gene Rains, Jim Snowden, De Wayne Hull, Kenny, Rhea, Bill Burnworth, Don Hamilton, Alfred Behrens, and Ronnie Brown. **Row 4**—Don Myers, Sonny Hunt, Larry Hines, Jerry Rose, Danny Robinson, Norman Kendall, Gary Leever, Don Harris, Alfred Jackson, Ed Myers, Milton Mills, Don Cook, Dale Chapman, Bob Vickers, Bill Lyon, Jim Townsend, and Maurice Keith.

Hi-Y Reaches Goal For 13th Time On 'Line Of Dimes' Campaign

As Saturday shoppers passed snowmen around Christmas time, cries of "Please won't you give a dime. Only a few more dollars and I can go home," were heard. After a careful inspection it was found that these weren't snowmen at all but cold Hi-Y boys making their 13th annual "Line of Dimes" drive.

Each year this club collects money so that needy Anderson school children won't be without a visit from St. Nick. Gifts, candy, and fruit are given the children by the old gentleman, and the boys provide entertainment for them.

To improve their minds, talks were given to the club on track, travel, the art of fingerprinting, criminal chasing in Anderson, and A. A. U. girl swimmers.

Hi-Y also sponsored a basketball team in the Y. M. C. A. intra-mural league. This year the team shocked the whole league with 3 smashing victories. One was a 32-16 grudge victory over Torch Club. The pros on the team were Tom Delph, Don Current, Don Cook, Dick Cumberland, Don Hunt, Bob Vickers and Don Myers.

As pro Dick Jones lines up behind the 8 ball, Jim Townsend, Maurice Keith, Neel McCullough, Milton Mills, and Don Current plan their next defensive shot

Seventeen Club Takes Queen Titles And Crowns AHS Beau Brummell

These beautiful girls sponsor the only dance of the year at which a king is chosen instead of a queen. Naturally this is always a big event for the school, and, since the girls feel they must go because for a change they pick the one to be crowned, it is usually a success. The official title given the king is Beau Brummell of 1951, and Don Dixon reigned as the "Beau" in this second annual dance.

Throughout the year the Seventeeners have parties to which the members bring small gifts that are later taken to the Welfare Home. The biggest party was held at Christmas at Mrs. Marguerite Hale's home where all the girls had a very good time.

Many honors and awards were given the club members this year. Carolyn Stewart and Mary Roberts were Prom Queen and attendant, respectively. Carolyn Seybert was Miss Fire Prevention of Anderson. Bobby Jo Handley received the D. A. R. award. Susie Johnson and Dixie Mundell were queens of the Fall-Windup and De Molay Sweetheart Ball, respectively.

SEVENTEEN CLUB OFFICERS—Seated are Jennie Tudor, treasurer; Bernice Walker, president; Sue Harmon, secretary, and Janie Coffin, vice-president. Standing are Mrs. Arlene Lambert and Mrs. Marguerite Hale, sponsors.

Formal Rites Inspire Honor Students

The formal initiation of Honor Society is an inspiring and beautiful occasion. The lighting of the candle, members carry as they pass the candle in the center of the speakers table, and the speeches of the officers make students appreciate the honor.

A pitch-in supper constituted the spring initiation. Movies, speakers, and their own talent entertained all these honor students during the year. Pro Merito diplomas are presented to senior members on honor day.

F. T. A. Wants More of High School

When some students graduate from high school they feel they never want to see any form of school again. This is not so of the Future Teachers of America. Could be, they want to inflict some of the tortures they suffered unto others.

Easter Sunrise Service High Spot In Torch Club's 1951 Activities

Easter is a very beautiful and serious occasion, and the members of Torch Club try to attain that atmosphere at their annual Easter Sunrise Service.

Some people rise at an early hour to be there so they can show off new Easter outfits, never realizing the time and energy that is given by these boys to make the service a success. Curtis Hockett, president, presided as master of ceremonies and the members carefully chose the ministers to give the prayer and sermon. Everyone regardless of race or religion can worship there as one person.

The boys also have fun. Speakers on safety, football, state police work, and the air force were heard at different meetings. One outstanding program was about baseball when Carl Erskine, Anderson Indian-Brooklyn Dodger pitcher, told of life in the big leagues. A picnic, a hockey game at Indianapolis, and a baseball game at Cincinnati were also enjoyed by the club.

Curtis Hockett, president of Torch Club, keeps his fellow members entertained with a good one

Holiday Seasons Mean Long Hours And Work For Junior Red Cross

Helping others is the main thought of the Junior Red Cross the whole year round. A lot of hard work and long hours is used to make others happy at different holidays.

At Thanksgiving and Christmas the members hold a drive for food. Large baskets are placed in the front hall, and AHS students are asked to contribute some sort of canned or powdered food to be given, along with turkeys and chickens the club buys, to underprivileged families in Anderson. Friendship boxes were also packed this year to be sent to Korea. A dance was held at the Club Tom Tom and to attend students had to take something to be put in the boxes for Korean school children.

Junior Red Cross also helps National drives by making collections for polio, heart, and cancer funds. The annual drive for Junior Red Cross is also one of their jobs.

Dramatics Club Has Open House To Give Members Touch of Stage

"Open House," the Dramatic Club's main project, is an important event for all members. Two such programs were held this year, one in the spring and one in the fall. Three one act plays are given at open house to let the public know what fine actors, directors, and stage hands AHS has. Through love of grease paint, costumes, lights, cameras, and action these future John Wayne's and Betty Grable's do their best to make the plays a success.

All beginning actors and actresses experience stage fright, but after the first opening night this is loved along with acting to a full house, stage activities, and the knowledge that the end of the play should bring applause and acclaim.

A goal to work toward is the National Thespian Society. To belong a student must earn 10 points which represent a total of 100 hours of theater work or production. Senior Thespians this year were Rita Sue Byrum, Larry Highbaugh, Jack Ford, and Gene Rains.

Doing a mock television show kept the Dramatic Club members busy and the audience entertained

'A' Club Carries On its Activities On Many AHS Athletic Teams

Athletics! What would dear old AHS do without them?

Being a sports - minded school AHS provides "A" Club, an organization to which any boy earning a letter may belong. The letter can be from any sport, and this is a goal for which many boys try.

"Hoosier Madness" is a sickness that hits every one in AHS. Yes, basketball is the most beloved sport. To help the team financially the members of "A" Club sold the team's pictures for them. At one of the basketball games the members of "A" Club joined the Pepooses to add more color and pep to the cheering section.

These he-men, because of the continuing of sports throughout the whole year with hardly room for a breath between them, seldom have a social activity but no one minds this since they make up for it on the field, court, course, and track.

Girls 'Hang Greens,' Serve Needy As Members Of Y-Teens Groups

A gay holiday mood helped the girls of Y-Teens to make the "Hanging of the greens" a real happy affair. This "Hanging" is an annual project to get the Y. W. C. A. decorated for the holidays. Dances and parties are then held so the groups' efforts can be seen.

The "Mile of Pennies" drive is the main project during the year. At Christmas money is collected and used for food and gifts to be given to needy Anderson families. Another project was the "Chocolates for Europe" drive. The girls bought candy to be sent to Y-Teen groups in Germany, France, England and other war-stricken countries.

Parties and guest speakers appear alternately on programs. Interesting programs were on hair styling, with Pat Mackey as the model, and on clothes with Jane Hardin, Donna Miller, and Evalee McKee as models.

A hayride for the girls and their dates highlighted the year early in October.

Conservation Of Resources Club Aim

Junior Conservation Club members are interested in preserving our natural resources and wildlife. To learn more about conservation, speakers from state conservation groups were heard, and study trips were taken to the Shades and Turkey Run state parks.

Library Club Lends Helping Hand

Helping students find needed material in books, magazines, and periodicals is just a part of the Library Club members job. They also know most of the answers to the silly questions students can think up to plague the librarian.

LIBRARY CLUB—Row 1—Elaine Hull, Janice Adcock, Sheldon Wilde, Phil Schubert, Al Hamilton, Janice Sample, Carol Niece, Shirley Hollingsworth, Toni Lawrence, Barbara Hosek, Robert Gayle, and Marilyn Stow. **Row 2**—Ruth McElderry, Miss Anna Pancol, sponsor; Bob Smith, Lawrence Smith, Barbara Burton, Larry Clark, Wilma Hamlin, Caroline Conrad, Madelyn Hattery, Betsy Dyson, Pamela Boyer, Marilyn DeCamp, Dwight Weedman, Barbara McAllister, Barbara Kreigh, Alice Masters, Nancy Schubert, and Barbara Jackson.

Ramblers View Historic Landmarks

History holds a very great attraction to the members of the Ramblers Club. To enrich their store of knowledge the members take a number of trips to historic landmarks and hear speakers who had visited or lived in different countries.

Concert Choir Entertains Organizations

The members of the Girls Concert Choir put on programs during the year at various clubs and organizations. A few given this year were for the Rebecca Lodge, Friends Church and Methodist Church.

GIRLS' CONCERT CHOIR — Row 1 — Donna Van Camp, Gwendolyn Watkins, Nancy Owens, Doris Smith, Gwen Rawlins, Connie Laman, Kay Boardman, Patty Phelps, Marilyn Stow, Soteria Pancol, and Elaine Fisher. **Row 2**—Miss Mary Ruth Palmer, Beverly Zearbaugh, Mona Runyon, Louise Tyler, Iris Marie Strickler, Carolyn Venters, Sandra Ziegler, Janet Trick, Joan Sherman, Dorothy Downes, and Lou Ann Hart. **Row 3**—June Minniear, Sandra Brannon, Dorothy Cooper, Janice Adcock, Roberta Lamar, Carolyn Stickler, Marianne Heena, Karen McCarthy, Anne Nichols, Elaine Van Zant, and Delores Kennedy. **Row 4**—Priscilla Precup, Marilyn Carroll, Nora Richard, Nancy Childes, Mary Hiday, Joyce Clyde, Janet Haynes, Mary Sue Robertson, Carol Williams, Ruth Qualls, Judy Litzenberger and Marie Hiles.

Mixed Choir Is Training Ground

Mixed Choir is a preliminary step to Choral Club. The members are chosen by voice ability. They are then trained further for entrance to Choral Club by presenting programs at various times during the year.

Choral Club's Style Ranges From Religious To Novelty

Choral Club, the school's largest and most outstanding vocal music group, has a wide range of songs, arrangements, and styles. Using the Fred Waring touch with selections like "Night Before Christmas," presenting religious hymns with all their solemnity and beauty, and singing novelty numbers, such as "Polly Wolly Doodle," the group kept every audience enthralled.

Under the direction of Miss Mary Ruth Palmer, the 65 members of Choral Club, dressed in robes of purple and gold, entertained many times during the year. They sang at the Easter Sunrise Service, at Christmas and Thanksgiving convocations, at World Day of Prayer services, at the County Music Festival, and on private organizations' programs.

Not all of their time is given to work though. A banquet is given for the members each spring and a picnic each fall.

CHORAL CLUB—Row 1—Julia Stewart, Sue Evans, Mary Lee Kardatzke, Jane Hardin, Carolyn Clem, and Judy Trick. **Row 2**—Faith Hunt, Ida Marie Foust, Susie Johnson, Elaine Butler, Mary Wilson, Nancy Schubert, and Jo Anne Munson. **Row3**—Keith Gilchrist, Paul Worley, Tom Dye, and Jim Sandifer. **Row 4**—Harold Thomas, Joe Thomas, Larry Hines, Lowell Hardacre, Dave Kessler, and Al Lucas.

Madrigal Club Made Up Of Twelve Well-Trained Voices

Madrigal Club is really a vocal assembly of twelve well-trained voices. These twelve members, six boys and six girls, can each present solos and duets. There is also a girls' trio and a boys' quartet.

Presenting programs is the main project of Madrigal and not only do they perform on club and organization programs here in Anderson, but the club has also been asked to surrounding cities many times.

Madrigal, the most select group of singers in AHS, is a challenge which members of Choral Club strive to meet. Members are chosen by Miss Mary Ruth Palmer, director, on the basis of achievement and ability.

Even after being selected the challenge is still there, because the club chooses its musical presentations on the basis of how strongly they challenge the ability of the twelve.

Members of Madrigal Club, Lowell Hardacre, Bob Thompson, Ruth McElderry, Judy Eglen, and Dick Sowash, are doing what comes naturally for them—singing to the accompaniment of the old piano in 108

Girls Glee Club Now Three Strong

In the last two years the Girls Glee Club has grown so much that there are three different groups now. Two are under the direction of Miss Mary Ruth Palmer and the third is directed by Thomas Clem.

Singing Experience Glee Club Object

To obtain experience in singing before a group the glee club members present numbers on the annual vocal musical convocations. In the future they hope to expand even more, so a bigger and better Choral and Madrigal Club can be had.

GIRLS' GLEE CLUB—Row 1—Sue Lisby, Janie Hitchock, Soteria Pancol, Babs Huber, Kay Boardman, Carolyn Blackaby, Shirley Clendenin, Lou Ann Daugherty, Roberta Streaty, and Thomas Clem, director. **Row 2**—Helen Howe, Shirley Glazebrooks, Mary Ann East, Sandra Highbaugh, Barbara George, Naomi McGill, Lavina Widener, Zelma Reger, and Pat Garringer, **Row 3**—Edna Pursley, Susie Robbins, Ruth McMillian, Jean Ann Stoner, Phyllis Jennings, Julia Townsend, Barbara Jane Brown, Marleen Davis, Jo Ann Schattner, and Maxine Wilson. **Row 4**—Joann Heiney, Laura Riggs, Bonnie Wood, Mariellen Pittsford, Beverly Jones, Janet Foster, Mary Decker, Mary Hollis, Pat Rude, Coraleen Moore, and Phyllis Whitesel.

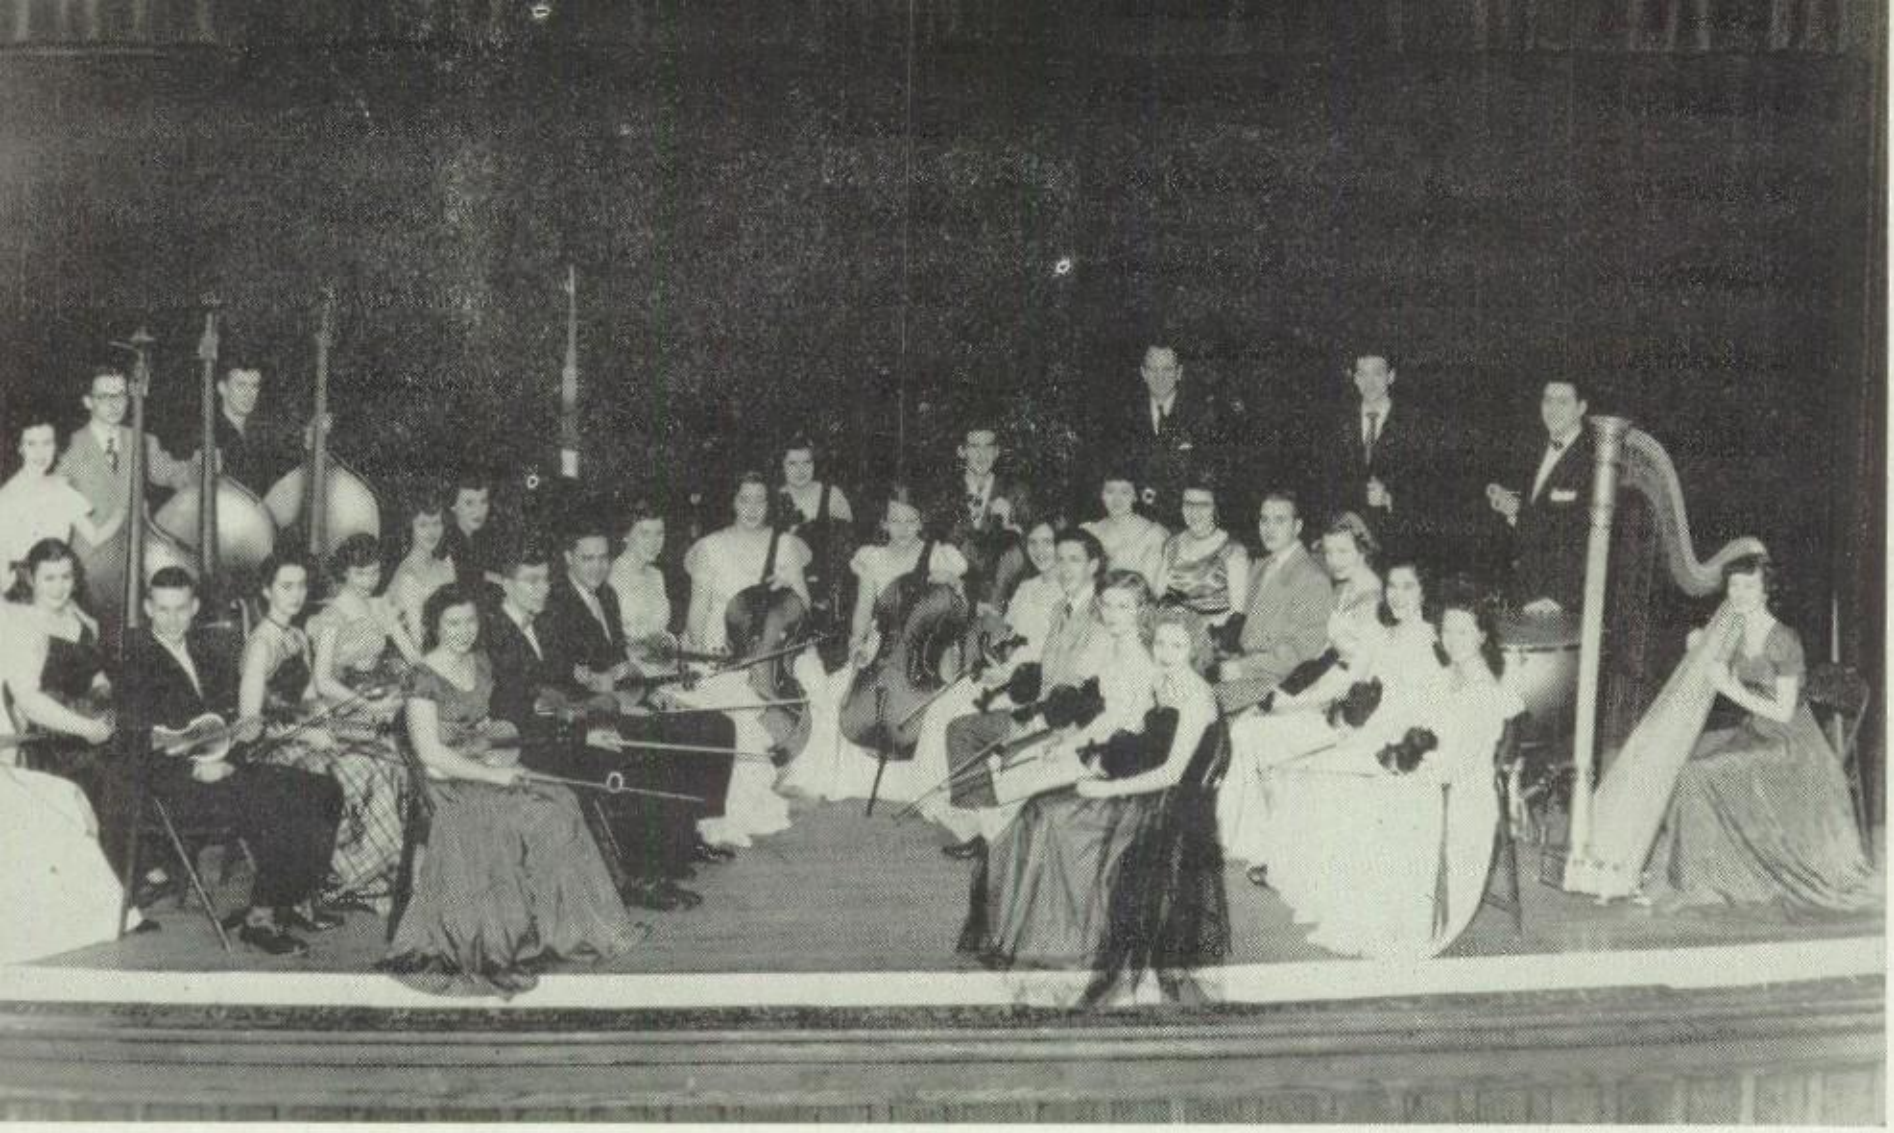
Male Music Lovers Have Glee Club

For boys who like to sing there is a Boys Glee Club. They learn to read music, train their voices and participate on the vocal musical assembly. Thomas Clem, director, hopes to expand the program next year.



CHESTRA—**Row 1**—Patty Sheets, Don Birt, Charles Frakes, K atherine Bowen, Sue Howard, Jane Drennan, Judith Mason, Tom mbs, Barbara Marshall, and Geraldine Smith. **Row 2**—Mar tha Stevens, Mererith Marsh, Gene Fox, Kay McCarty, Nancy ner, Wanda Flatt, Jean Ann Stoner, Ardath Haley, Bill Raw lin, Mary Belle Singleton, Ernest Barth, Elain Butler, Carolyn ston, and Joanna Hall. **Row 3**—Carolyn Clem, Don Goacher, Harold Thomas, Thomas Clem, director, .ichard Canada, bert Warner, and Judiann Smith.

Orchestra Serves As Background For Commencement, Senior Play

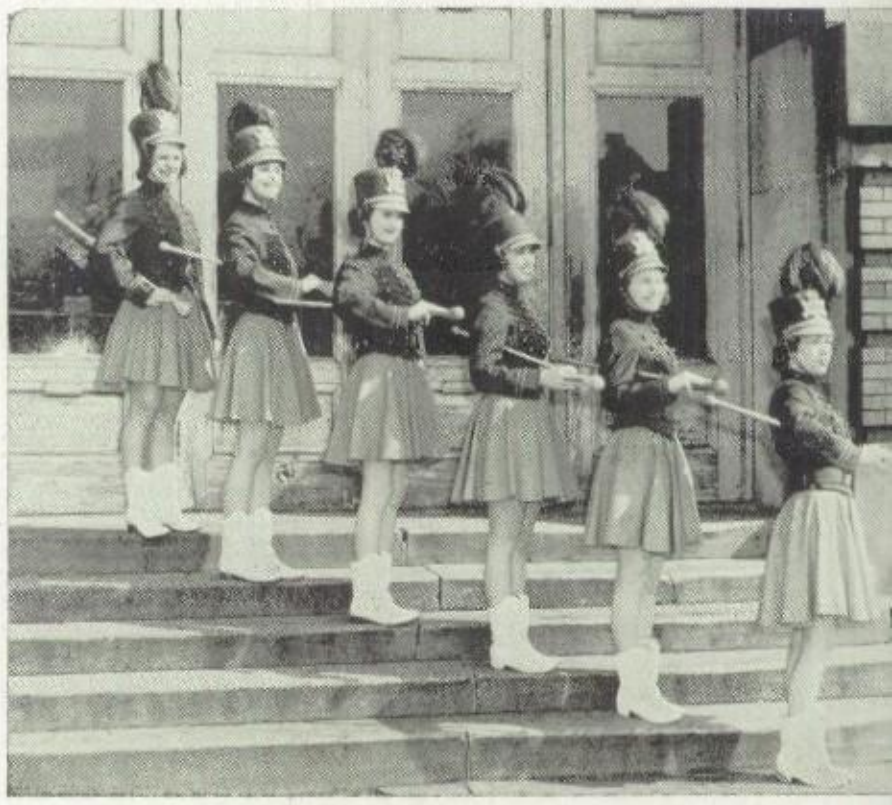
An integral part of the background of such events as Commencement, Baccalaureate, and the Senior Class Play is the AHS orchestra.

Seniors usually get their last look at the orchestra as they make their final march down the aisle to "Pomp and Circumstance." For a couple of weeks before this last school event members of the orchestra have worked with the seniors to get the perfect timing down.

This year the orchestra played at the Senior Play, "Our Town," and endured the auditorium heat along with the actors. It also performed at banquets in the city and at the annual Spring Festival. The group participated in convocations too.

These boys and girls combine with the band and majorettes at times. A picnic and chili supper is held for them each year, and they forget their work for a time and just have fun.

MAJORETTES—Julie Moore, Roberta Giles, Shirley Beatty, Roberta Critser, Anna Mitchell, and Kay Hiestand.



Band Parades and Entertains Crowd At Ball Games

The many city parades and the AHS football and basketball games bring the Anderson High School Band into the public eye, and the band members successfully meet the challenge.

Ball games wouldn't be the same if the high school band wasn't there to play. Popular songs for students and old favorites for adults keep the crowd entertained before the game and between halves.

The band performs in parades during Clean-Up Week, Fire Prevention Week, and Memorial Day.

And none of the success comes on a silver platter. The band wanted new uniforms so members went out to solicit funds. And they did it on street corners and at plant gates in the middle of winter.

The junior high and grade school picnics are looked forward to by the band members because they become the treated with all the hot dogs and cokes they can consume—after they perform, of course.

The majorettes perform with the band and show their baton twirling ability. The girls work hard to develope this skill. They were led by Janice Sample this year. Richard Rencenberger directs both the band and the majorettes.

Athletics Teach Possibilities Of Comeback On Road Of Life

Athletics, too, play a large part in preparing one for life after graduation.

They give one the ability to take a beating and come back smiling and ready to go. They offer that well-earned break from the daily routine, and draw every person closer to the school and more intent upon supporting the red and green.

On the following pages the athletic records of our AHS teams will be shown in stories and pictures, but along with each record, it should be remembered, was built, by the coaching staff and the boys themselves, that indefinable thing called character.

1950 Indian Football Team Voted Hardest Tacklers In N. C. C.

"The hardest tackling team in the North Central Conference" was the caption given the light, hard working, but luckless 1950 Indian football machine.

At the completion of the season the Indians were awarded this distinction by the North Central Conference sports writers and coaches. This was truly a great honor for a team which won only one game while losing nine, and which had an average weight of less than 165 pounds.

Indians Win, 14-0

The Indians pryed the lid off the 1950 football campaign with a 14 to 0 victory over Connersville under the new Denny Field lights.

55 yard run from Anderson's 45 yard line.

Late in the third quarter Loren Frendt broke into the scoring column with a five yard drive over the center of the Connersville line. Don Harris, Anderson's right guard, concluded the scoring late in the fourth quarter with a blocked punt that rolled into the end zone for a safety.

Indians Try In Vain

From this time until the end of the season the Indians were vainly trying to get back into the winner's column.

The following week Anderson journeyed to Richmond for the first North Central Conference encounter, and there suffered its first defeat, 20-6.

With two seconds left in the game Bob Chadd, Anderson's left halfback, received a Richmond kickoff on Anderson's 15, and raced 85 yards up the sidelines for Anderson's only score.

Team Dons New Uniforms

After a week's work in preparation, the Indians donned their new uniforms for the first time, and battled a much heavier Tech team to a draw in the first and fourth quarters only to fall behind in the second and third to suffer a 27-13 defeat in a bruising encounter.

Anderson journeyed to Elwood the following Tuesday to play the roughest game of the year with its county rivals. After 48 grueling minutes of football, Elwood emerged victorious, 27-0.

Playing the third game in seven days, the Indians journeyed to Delphi only to drop a thrilling encounter, 24-18. Having been held scoreless for the first three

Weight, Experience Too Much

Marion and New Castle handed the redskins their fifth and sixth losses in a row, 12-6 and 21-6, respectively, when the Indians were again unable to cope with their superior weight and exeprience.

A power failure plunged the field into blackness during the Howe game, and after a half hour delay the game was begun with Howe scoring on the first play. The capital city boys went on to win, 13-0.

With less than a minute left in the game Royerton threw a desperate touchdown pass, and took a heartbreaker from the Indians, 19-18.

SECOND STRING BACKFIELD—Bob Chadd, Leonard Williams, Ronnie Brown, and Dave Nicholson.

In the grand finale for the 13 seniors on the team, Anderson lost a 32-6 game to Lafayette on a field of mud, in a driving freezing rain.

The trip to Toledo to see the Ohio North-South all star game, the Saturday afternoon touch tackle games, the thrill of body contact, and the usual locker room jokes made this a season that will never be forgotten by the team members.

Loren Frendt and Dale Porter were elected co-captains at the end of the season. Other seniors finishing their high school football career this year are Dick Wilkins, Doug Matthews, Don Harris, Max Stanley, Don Current, Leonard Williams, Joe Jackson, Bill Chadd, John Motto, Ronald Dawson, and Don Carpenter.

Freshmen, Outweighing Varsity, Train On Fundamentals

Coach Joe Spark's freshman team outweighed the varsity by better than 10 pounds per man, and had all the aggressiveness shown by the varsity and "B" teams.

After working all year on the fundamentals of tackling, blocking, and running, these boys have finally formed a good framework for learning the finer points of football. These finer points will come from the much needed experience on the "B" team next fall.

The 44 boys who worked out nightly from the beginning of school made up one of the largest freshman teams ever to play for Anderson.

In their six game schedule they beat Elwood, and Lafayette, tied New Castle and Central, lost a thriller to New Castle in the season's opener 19-16, and were humiliated in the last game of the season 42-6 by the "B" team.

The high spot of the season came in a 12 to 7 victory over Lafayette Jeff as this was the first time an Anderson freshman team has beaten Lafayette's freshmen in several years.

Wrestling Moves Into Sports Picture After Four Years Varsity Competition

After four years of varsity competition wrestling has finally come into it's own as Anderson completed the most successful season yet. The wrestling team won four matches while losing seven and handed Bloomington its first reversal at home in nine years.

At Peru the Anderson matmen turned in their most decisive decision of the season, 54-0, as all but two Indians succeeded in pinning their opponents.

The other two victories came over North Central Conference foes. They defeated Muncie Central in a close 23 to 21 match, and Richmond, 28-20.

Anderson scored 16 points in the Bloomington sectional, but failed to qualify any team members for the state meet.

With only three seniors on the team this year much is expected of the underclassmen next season.

After four years of varsity competion Loren Frendt, Dick Wilkins, and Max Stanley completed their wrestling careers for Anderson. Frendt was elected honorary captain at the completion of the season by his fellow team members.

Cross Country Team Captures Fifth Straight State Crown

Coaches Carl Bonge and Ray Fleenor proudly display Anderson's fifth consecutive state cross country championship trophy.

"We've got that trophy, and we're going to keep it," was the attitude taken by the Anderson cross country team as they bore down to take their fifth consecutive state cross country championship.

No other team in the state knows how it feels to win an undisputed cross country championship, as the Indians have captured the crown ever since the event has been held.

Winning five out of seven scheduled meets, and all outside meets, the Indians compiled a season record of nine victories in eleven starts.

With no individual star, this team had to be well balanced to complete such a successful season. This team balance is shown by the fact that different men won each major race.

Don Dixon was first in the Old Post meet in Vincennes; Jim Waughfield was the first Anderson man across the finish line in the North Central Conference meet, and Dick Moore led

the Indians across the finish line in the state meet.

At the completion of the season Don Dixon was elected honorary captain. Dick Canterbury, Tom Delph, and Harold Anderson were the other seniors on the team to complete their high school careers. Jim Waughfield, who reached his twentieth birthday shortly after the season ended is the only other member of the team who won't be back next year.

Showing much promise for the future, the "B" team turned in three perfect scores while winning six of seven meets.

The perfect scores were against Muncie Burris, Richmond, and Culver.

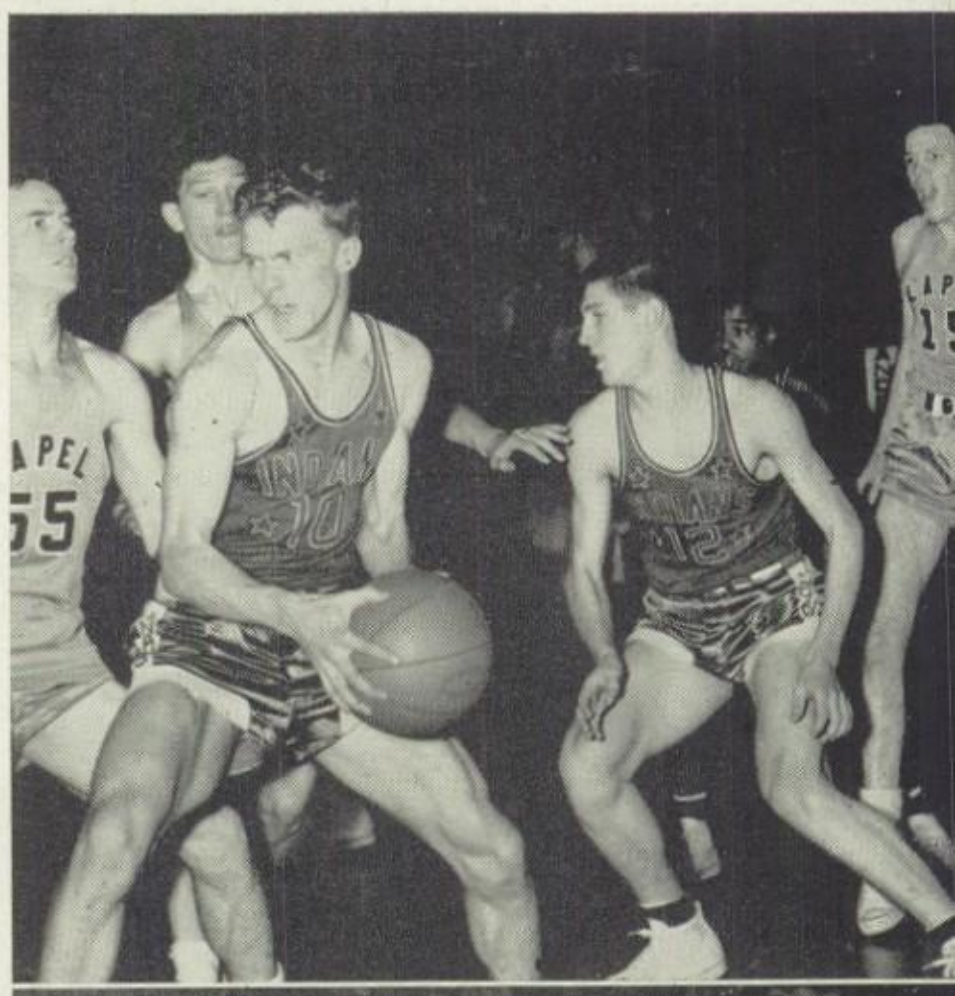
Indiana Basketball Has No Favorites, Expects Only Fighting Spirit

Indiana basketball holds no favorites, and expects nothing more from a team than a fighting spirit from beginning to the final gun. In this greatest of all sports a big team as well as a small team can be beaten by a last second heartbreaking basket, but this basket can never still the fighting hearts of these boys who gave everything they had for the glory of the school that they think is the greatest in the state. This is the spirit so successfully developed down through the years at Anderson High School.

John Clemons pokes the ball up and in as Jack Tilley (11), J. D. Alder (10), Kent Poore (3), and Herb Hood look on in the afternoon game of the regional against Brownsburg.



At right, J. D. Alder (with ball) draws tense for scoring thrust as Herb Hood (12) cuts for the basket.

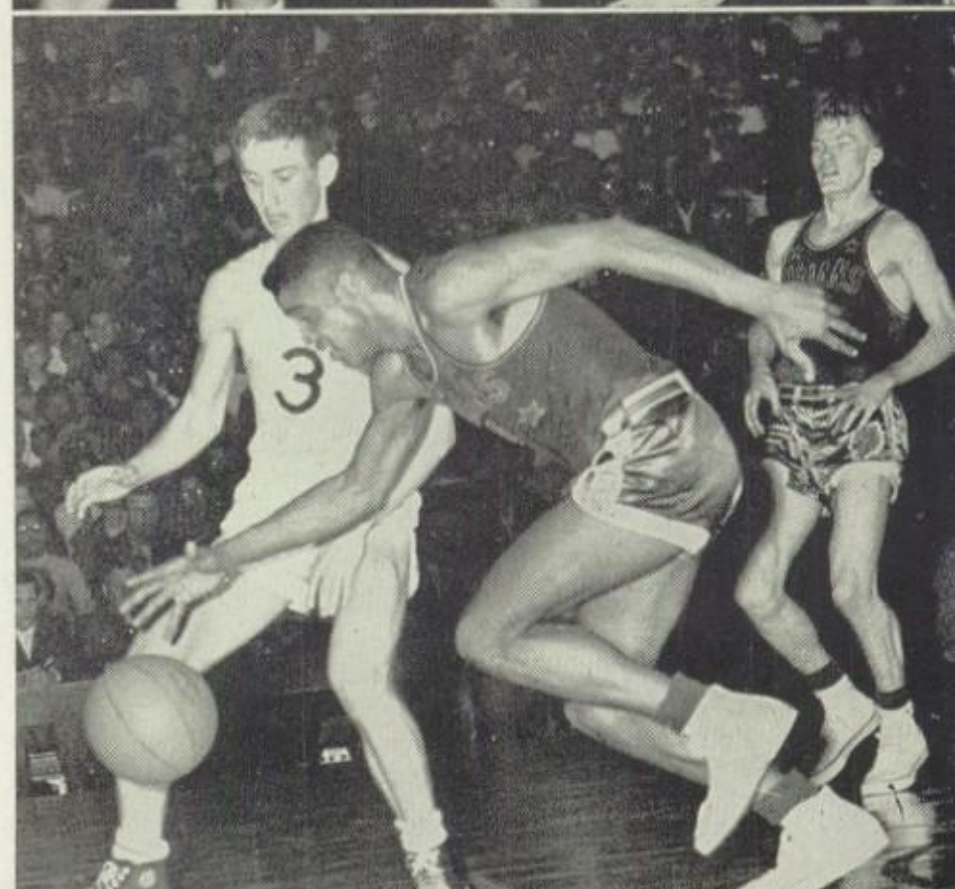
AHS Blazes High Scoring Trail In Lapel Rout, Attucks Classic

From the heights of the 86 to 42 victory over Lapel through the routing of Brownsburg to the momentary sadness and then pride in the 81-80 classic with Crispus Attucks, the tournament trail of the Anderson Indians was sensational but also unusual.

After ordinary opening sectional victories over Pendleton and Markleville the Indians were ready for the spectacular. Besides humiliating traditional rival, Lapel, by the most lopsided score ever, Kent Poore, smallest man on the floor, set a new "Wigwam" scoring record of 34 points.

Brownsburg was the next to feel the wrath of the Redskins as they fell victim to the tomahawk swinging, basket flinging Tribesmen in the regional opener, 82-43.

That evening came the final heartbreaking game with Crispus Attucks. Overcoming an almost insurmountable 15 point deficit, the braves forged into a ten point lead with four minutes to go, but a tremendous height disadvantage began to tell, and the Indians were beaten, 81-80, on a field goal in the last seven seconds.



John Clemons, with J. D. Alder looking on, picks up speed and the ball as he drives down the floor in the Brownsburg game.

Early Victories, Mid-Season Slump Pave Way For Stretch Drive

A fast start, a slump, and then a terrific finish at tourney time might sum up the AHS 1950-51 basketball season. The Indians ended the season with 16 victories and 9 losses.

Anderson showed the weaknesses and errors of all young inexperienced teams, but still thoroughly trounced a much weaker Greenfield team, 76-37, in the season's opening game.

Showing that they could play under pressure, the Indians eked out a 46-45 victory over New Castle on Vic Peck's free throw in the fleeting seconds of the initial North Central Conference contest for both teams.

At this point in the season the Indians luck began to fail, and it seemed as if they were never going to start winning again as they lost five of the next six games.

Mishawaka Leads Procession

Mishawaka led the procession as they pasted Anderson, 50-47, in a close encounter. Lafayette Jeff handed the Tribe its first N. C. C. setback, 68-46. Marion followed Lafayette's example and handed the Indians a 62-47 shellacking.

Finally Anderson again got the sweet taste of victory as they zoomed out of their slump with a 62-54 victory over Fort Wayne Central. J. D. Alder led the scoring attack with 12 points. Herb Hood and Jack Tilley were close behind with 11 each. This balanced scoring continued all season and was one of the chief reasons for late season success.

Anderson's defense cracked wide open before New Albany's unbeaten team, and the Bulldogs drove away from their men and under the basket for several easy lay-ins and a 65-57 victory. Muncie Central, playing its usual inspired brand of ball against Anderson, was the last team to beat Anderson before the pendulum of luck began to swing in the other direction, and the Indians began to stage the long uphill drive that landed them in fourth place in the North Central Conference.

Tribe In Big Four Final

The Big Four Tourney at Kokomo interrupted regular season play on New Year's Day. Anderson outscored New Castle in the opening game as Haynes Harrington began to show signs of rebounding brilliancy. Logansport won the tourney with a 61-54 victory in spite of a great last half comeback by the Indians.

Richmond was the first team to cross the path of the "Rampaging Redskins" after the Big Four and was never in the game after the first few minutes as the Indians poured in the buckets until they had scored 66 points to Richmond's 47.

Playing against a Shelbyville home court advantage and a hostile crowd the Indians just managed to squeeze by 58-55.

The following week, Tech's pressing defense kept Anderson so off balance that no man could consistently find the range, and as a re-

sult dropped the Indians back into the losers column in a 49-43 game.

Indians Skin Cats, 62-60

At this time Anderson got its first chance to avenge an earlier defeat. Playing a much "Harrolded" Muncie Central team on its home floor, the Indians jumped right into the contender's circle with a brilliant 62-60 victory. Again Alder led the scoring with 18 points, but he was ably helped by John Clemons, who played the first of his several great late season games, scoring 15 markers.

Taking the ball the length of the floor, Jack Tilley drove around his man in the last seconds of the game and sank one of his beautiful one handed push shots to send Frankfort's Hotdogs down to defeat, 52-50.

Kokomo lacked the speed to keep up with the now fast breaking, sharp passing Indians and fell 58-45.

Although leading by one point at the half, Anderson was unable to cope with Marion's big, fast, and aggressive team in the third quarter and as a result lost a 10 point decision, 57-47.

Tourney Defeat Avenged

Anderson bounced back to avenge the Big Four Tourney defeat at the hands of Logansport by whipping the Berries 51-45, as Hood and Clemons scored 19 points apiece.

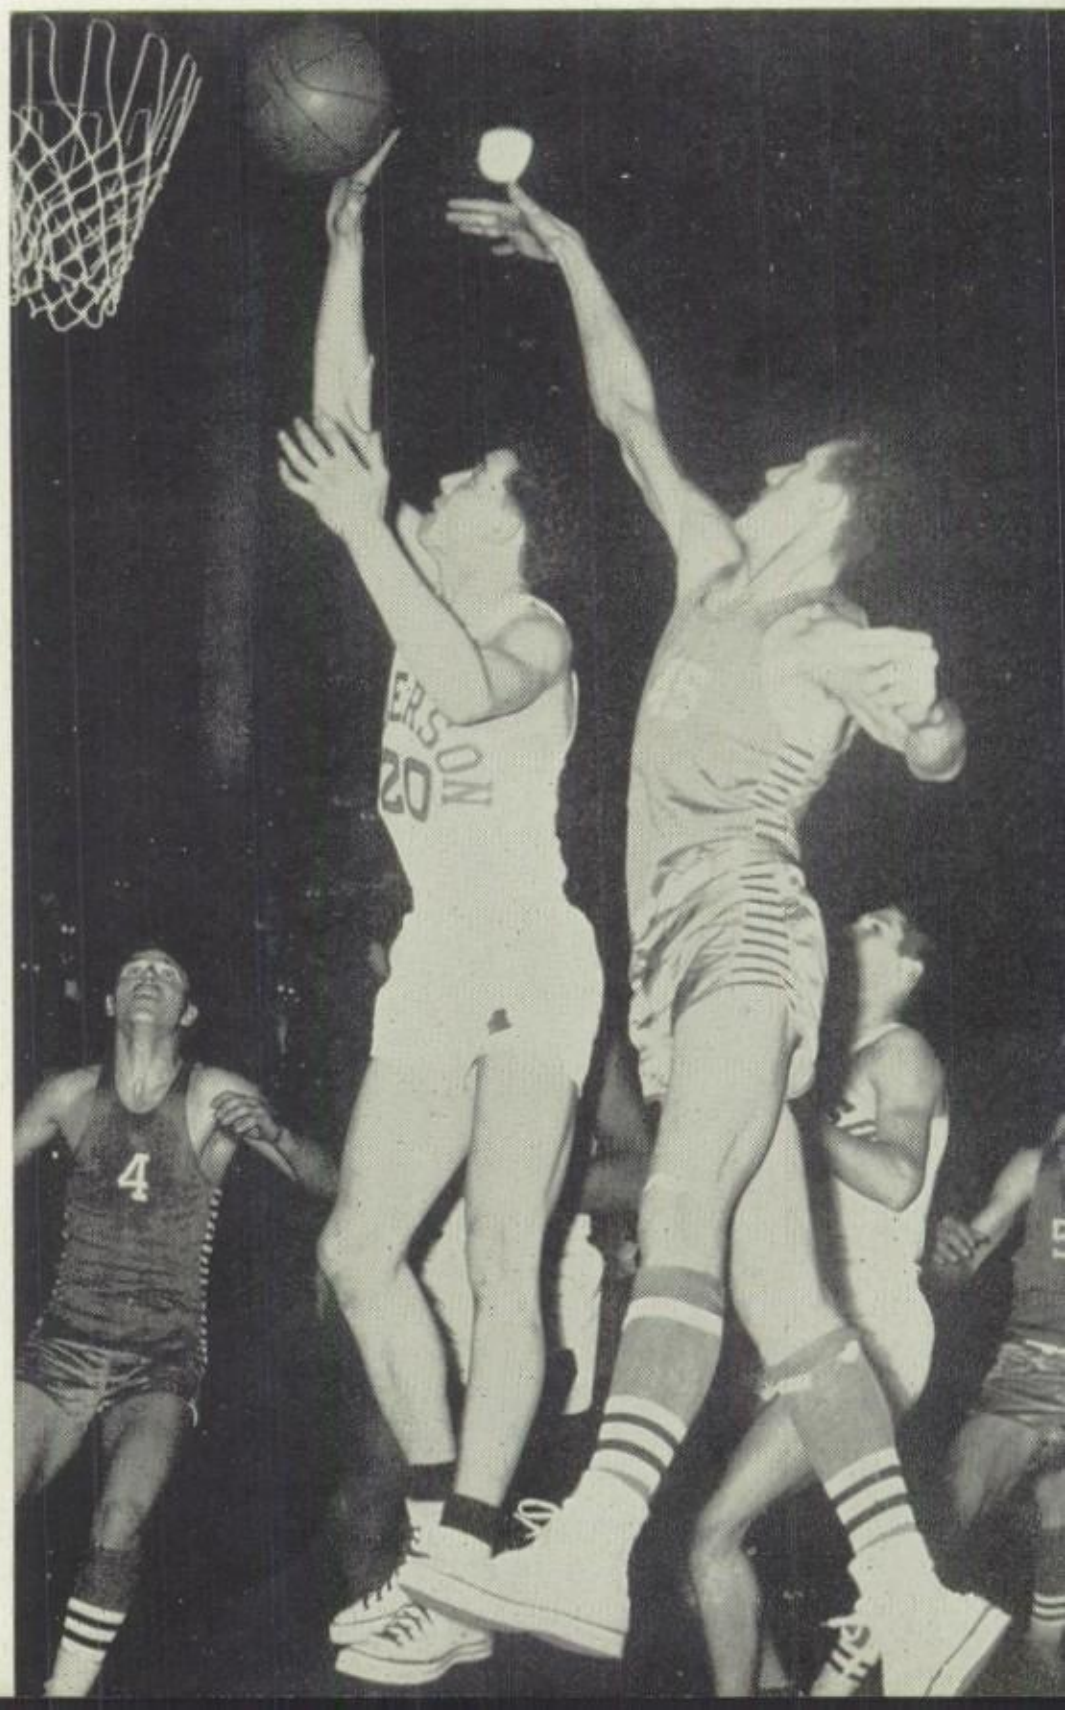
In the season's finale Alder bagged 17 points to become the first Indian to score over 200 points for the season. New Castle was the victim for the third time, 57-42. Balanced scoring was the keynote as usual with Clemons and Kent Poore scoring 12 and 11 points, respectively.

At the end of the season six Indians, Alder, Tilley, Hood, Poore, Chuck Smith, and Clemons, had scored over 100 points. Alder led scorers with 204 points and in field goal average with .372. Poore had the most assists, and John Clemons led the team in rebounds.

Tilley, Poore Named Captains

Jack Tilley and Kent Poore, both seniors, were elected honorary co-captains at the end of the season by their teammates. Tilley also was named to the Indiana all star squad, and Poore received the Keith Lambert free throw trophy.

Another individual honor went to Herb Hood who was named a first string guard on the North Central Conference team.



Chuck Smith (20) adds two points to the Indians cause as he sinks a layin in the Kokomo game.

'B' Team Supplants Size With Speed and Spirit

Without the aid of a big man to control the backboards the "B" team compiled an amazing record of 15 wins and only 4 defeats. These defeats came from the hands of Marion, Richmond, Muncie, and Tech of Indianapolis. In return engagements with Muncie and Marion the Papooses scored two coach-pleasing victories, 37 to 35, and 53 to 32, respectively.

Under the able guidance of Coach Jim Early these boys practiced every evening after school, and in several cases were pushing the varsity players to the very limit to keep their first string positions.

The experience gained by these boys during the winter will prove invaluable when they reach the varsity squad. The team balance displayed all year will be an asset in future competition.

First North Central Golf Title Since 1943 Comes To AHS

The North Central Conference golf trophy has finally found its way into the Anderson trophy case for the first time since 1943.

The four-man team of Kent Poore, Joe Campbell, Don Granger, and Ivan Geiger turned in a total score card of 310 strokes after each had completed the 18 hole circuit. Poore was low man with a 76.

A week later the Indians traveled to Lafayette and came home with the Lafayette Invitational Crown and medalist honors, too. Again Poore, Campbell, Granger, and Geiger scored a low total of 329, and Campbell carded a 75 for medal honors.

The team, composed of some of the finest amateurs in Anderson, has only one senior, Kent Poore, so even bigger things should come from these underclassmen next year.

They might not be through yet this year because the state meet was yet to be played at publication time.

After Shaky Start Tennis Squad Builds Up 6 and 3 Record

"We'll be lucky to win one match," Coach Dane Pugh said of his inexperienced tennis squad before the season started. The prediction looked sound as the Indians dropped two of three early matches, but their conquerors were two of the toughest teams in the state, Tech and Shortridge of Indianapolis.

From then on Anderson won 5 of 6 matches with three to be played at publication deadline. If the fellows keep improving at their present rate, they should finish the season among the top ranking teams in the state.

A look at the early roster shows why Coach Pugh was so pessimistic. Gary Leever was the only returning letterman to win a single North Central Conference match last year. The rest of the boys started from scratch in conference play.

Having been kept inside by the severe spring weather until the Shortridge match, the boys were not able to cope with the Blue Devil's superior experience.

Burris, also hampered by bad weather, fell easy prey to Anderson's rac-

queteers in the second encounter of the season, but Tech blanked the Indians in their next match.

Then Richmond, Frankfort, Lafayette, Kokomo and Broad Ripple fell before the now more experienced squad. Only Muncie Central defeated Anderson during this stretch to make the season record 6 won and 3 lost.

Leever, Allen Huffman, Bob Benefiel, Pete Dearing, and Denny Simpson saw most of the action this season.

Track Team Reaches Peak As 17 Qualify For Regional

Undaunted by the fact that they have tasted defeat in a dual meet for the first time in 12 years, and for the first time in 11 years in the North Central Conference meet, the track team bore down to more and harder laps to qualify 17 men for the Indianapolis regional.

This is an outstanding example of what determination and hard work can do for a team as these boys early in the year won only the mile relay in the Howe indoor invitational meet, and lost their first outside meet, 62-47, to Muncie Central.

Plagued by accidents, sickness, and shin splints all season, the varsity thinlies were extremely fortunate in winning a single meet as there was not one in which all team members were able to participate.

This year's team composed of only four seniors, Don Dixon, Dick Jones, Jim Snowden, and Dale Fraley, should act as a stepping stone to regain the N. C. C. crown and state crown in future years as 11 of the 18 lettermen are juniors and three are sophomores.

Individuals Stand Out On Balanced and Spirited Track Squad

While Anderson depended upon team spirit and balance to win this season, several individuals stood out for the track team.

Roger Whitehead's ten points in the pole vault and broad jump always came in handy when the Indians fell behind in the running events in a meet. Whitehead vaulted 11 feet 10½ inches and broad jumped 20 feet 10¾ for his season's top marks. In the regional he tied for first with teammate Albert Harris in the pole vault and took fourth place in the broad jump. Harris, in vaulting 11 feet 4 inches, went almost a foot higher than his previous best during the regular season.

The little automat, Don Dixon, was a good scorer in anything Coach Carl Bonge asked him to compete in. He usually ran a 440 or 880 and a relay. Dixon was the fellow who seemed to be running from the hips down, using only a fighting heart above the waist for impetus.

Long, lean Haynes Harrington was a consistant winner in the quarter mile in dual meets. His best time was 52.5 seconds against Tech.

Another man who came up fast after recovering from a chipped ankle received in basketball, was Vic Peck. He placed fourth against tough regional competition in the high hurdles.

Others who won for the Indians were Jerry Morgan in the dashes and Jim Snowden in the hurdles. Snowden won the high hurdles in the sectional.

The success of the Anderson relay teams showed that team balance and spirit were outstanding this season. The mile relayers, Ronald Etherington, Jerry Morgan, Don Dixon, and Haynes Harrington, hit a top mark of 3:29.7 to win the regional relay. The half mile relay also qualified for the state meet by running a 1:31.2 race in the regional. Both of these times were the best recorded by the Indians before the state meet.

A TRACK DAY AT DENNY FIELD—Vic Peck talks over hurdling form with Jim Snowden and Dale Fraley in the top left scene. Paul Plummer, Don Hunt, and Bob Vickers adjust shoes before taking a warm up. Pole vaulters Albert Harris and Verne Petry listen to advice from Roger Whitehead, who cleared 11 feet 10½ inches during the season. In the bottim left picture trackmen, Ronald Etherington, Gene Fox, and Haynes Harrington shed warmup suits for a fast turn around the track. Relay team members, Don Dixon, Dick Jones, and Jerry Morgan, work on second saving techniques in passing the baton. In the last picture Bill Rogers, Milton Mills, and Don Cook get "set" for a stpint.

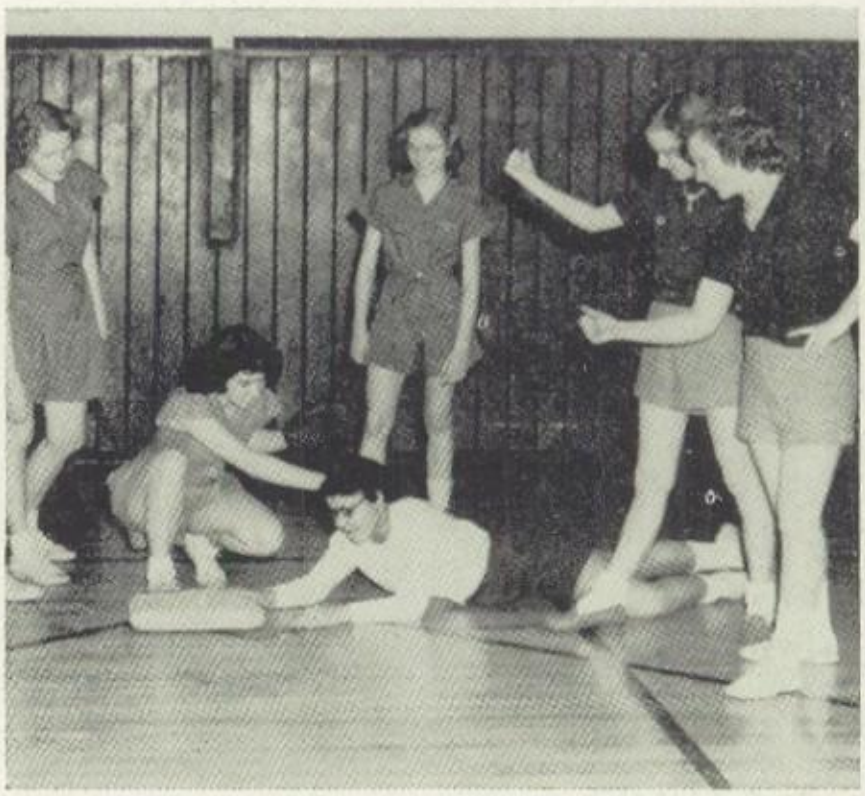
Hoosier Basketball Madness Invades Girls Athletic Group

Anderson High School's particular brand of Hoosier basketball madness was carried on successfully by the Girls Athletic Association this season as they won three and lost one in inter-school competition. The team split with Elwood and defeated Alexandria and New Castle.

Unlike the boys, however, these girls do not stick strictly to the major seasonal games. Vollyball, socker, and table tennis fill in the gaps between basketball, softball, and track seasons. To complete their athletic program the girls take hikes, learn sports rules, and engage in tumbling and gymnastics.

At the completion of a very successful season in which sportsmanship, clean play, and fundamentals were stressed, the girls, 45 strong, held a banquet at which the "Indian Head" monograms, chevrons, and monogram "A's" were presented to the outstanding girl athletes.



Carolyn Venters is tagged out sliding by Barbara Davis in an indoor baseball game as G. A. A. members, Norma Jean Moore, Alice Masters, Janet Cobb, and Betty Bailey watch the play.

Endless Tasks Plague Managers

Being an electrician, janitor, trainer, storekeeper, carpenter, laundryman, and statistician, are all in a day's work for the student manager, the connecting link between the locker room and the playing field.

The ushers too play an important part in inter school sports as they keep the masses of people who attend the athletic events in order, and see that the spectators are in their proper seats.

Strong Hurling Staff, Heavy Hitters Pace 1951 Baseball Team

A strong armed hurling staff and heavy hitting featured the 1951 Anderson baseball season. The only thing that held down the record to 5 won and 6 lost was erratic fielding, which cost the Indians a couple of games.

Marvin Lowe, Herb Hood, and Chuck Smith all came up with sharp pitching performances. Lowe had a no-hitter for 6 innings against New Castle only to lose it when a Texas league single dropped into short right in the seventh. Lowe struck out 11 and walked only one as Anderson won easily 13-0.

Hood was fast and just wild enough to keep the Hartford City baseballers off balance to rack up a 9-3 six hitter. He struck out nine and walked nine.

Smith Blanks Logansport

Logansport came up against another top pitching day by Smith as he blanked them 4-0 on four hits, 13 strikeouts, and two walks.

Lowe led the pitching staff in victories with three. He lost two. Smith won one and dropped two low hit efforts to Marion 4-3 and to Richmond 3-0. Hood won one, and he and Wally Smith each lost a contest.

When the pitching slacked up a bit as it did in 15-9 and 13-7 victories over Richmond and Tech, the Anderson batsmen responded

to the challenge. Dick Spangler and Sonny Hunt, both punch hitters, usually started it off, and then came around when hard-hitting Jack Kitchen and Dave Nicholson teed off. All four batted close to .400 for the year.

Against Tech Spangler scored four runs, and Kitchen and Hood each garnered three safeties.

Keithley Leads Hit Parade

It was Dick Keithley leading the hit parade as the Indians lost 5-1 to Shortridge. He got two hits in three tries. Wally Smith pitched a five hitter in losing.

Spangler got three for three in the shutout of Logansport, and in the Hartford City game the first four batters in the lineup smacked out ten hits. Hunt lined out four, while Keithley, Kitchen, and Nicholson collected two each.

The hitters, except for Herb Hood who blasted a single and triple, were quieted as Lafayette beat the Indians 8-3. Nine errors lost the game for Lowe.

Seven errors couldn't keep the Tribe from racking up Richmond 15-9. Nicholson and Spangler each got four hits, and Keithley and Smith smacked three each.

Lowe Has Near No-Hitter

Anderson bats again exploded with almost every man getting one hit in Lowe's near no-hitter against New Castle. Hunt hit four straight times before striking out his last time up.

Anderson was shut out 3-0 by Richmond, and 5-0 by Frankfort in the next two games. Smith allowed only four bingles in the former, but the Indians also collected only four with

Kitchen getting a pair of them. Hood was touched for eight hits by the Frankfort Hotdogs, as Hunt and Smith with two hits each were the only batters who found the range.

While the fielding in general was a little shaky, individuals did stand out. Burly Nicholson used to feel he had an off day when his throws went to the shortstop side of second base. Dick Keithley at shortstop and Dick Spangler in center field gave the Indians strong protection down the middle. Hood, all 6 feet 3 inches of him, stretched like an India rubber man all season long for errant throws.

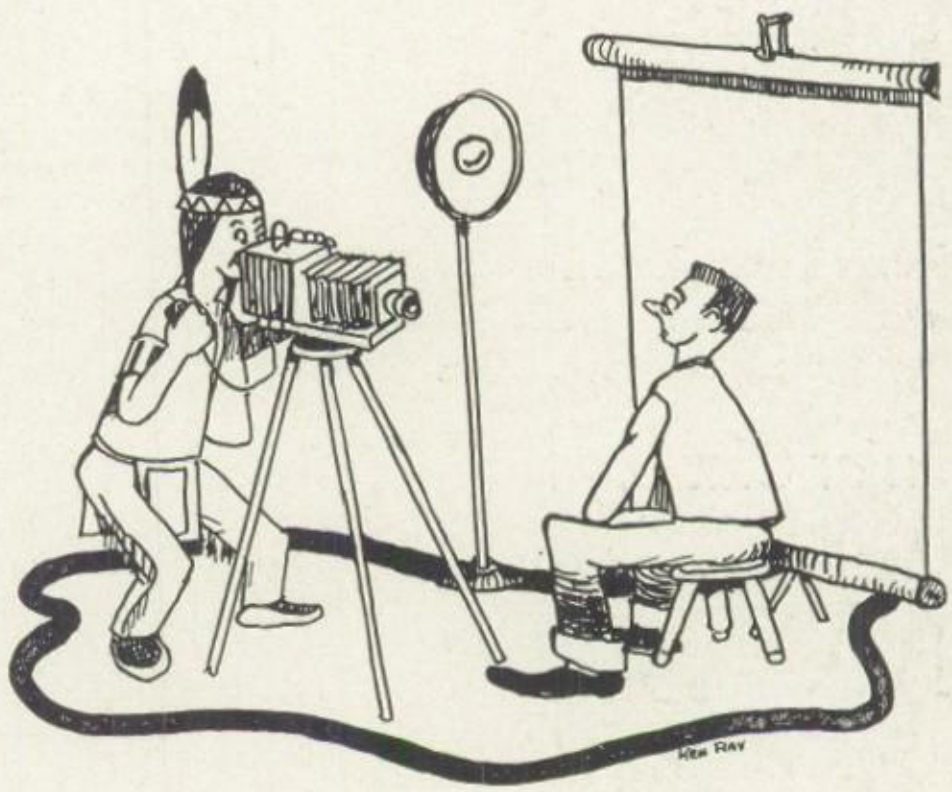
Seniors Ready For Careers After Background At AHS



With careers in industry or business or college life ahead, seniors set out fully prepared because of the adequate background gained at AHS. There are also the underclassmen who are in the midst of their vast preparation, and still have one, two, or three years left in which to absorb more knowledge. The faculty will continue preparing new students each year, and turning out men and women who will make good leaders in the world of tomorrow.

Glue, Sweat, Sleepless Nights Tell Story of Pictures

Glue on our hands and clothes—sweat on our foreheads—circles under our eyes from those sleepless nights—each an indication that we've worked on the underclass picture panels. Now at last they're done! We mutter a thankful phrase, lean back in our chairs, and count to ten before we begin breathing regularly again.

Those pages of pictures look very insignificant lying on the desk before us now. They can't tell their "backstage story." The headaches we got from trying to match the pictures with the correctly spelled names, the groans we gave while we pasted the pictures on the cardboards to send to the engravers, they're all compiled in the pages staring up at us.

But this is the end. The section is complete, and here are gathered names and faces to be "headliners" in future senior activities.

Superintendent and Board Are Hub of School System

Archie R. Chadd
Superintendent of Schools

Enoch S. Drumm
Co-ordinator of Instruction

As the hub of the great wheel of education, A.R.Chadd, Superintendent, and members of the Board of School Trustees have a definite part in the routine of the public school system of Anderson. These people must work at top rate efficiency to keep the high school and other public schools of the city humming in apple-pie order.

The basis of their never ending work is to provide the young people of Anderson with the best possible opportunity for an education which will equip them now, and for years to come, for living and upholding the high American standards.

School Board

Miss Gertrude Plotner, Clerk of Board.
Mr. Jay E. Mitchell, Secretary.
Mr. Archie R. Chadd, Superintendent.
Mr. Robert H. George, President.
Mr. John A. Jones, Board Member.
Mr. Jack B. Campbell, Attorney.
Mr. Victor H. Riggs, Treasurer.
Mrs. Geneva Carter, Board Member.

Responsibilities of AHS Rest In Administration

Keeping a large school like AHS in good running condition is the responsibility of G. E. Ebbertt, principal; William Hutchison, vice principal; and Mrs. Marjorie Austin, registrar.

Undertaking such details as building programs, helping students organize their school projects, and filing faculty and student records are just a few of the items that have to be done each day.

With all their daily work we still see their familiar faces at a large number of student activities and sports events, showing that they also enjoy their work.

G. E. Ebbertt
Principal

William Hutchison
Vice-Principal

Mrs. Marjorie Austin
Registrar

Mrs. Mignon Anderson Bahney
Dean of Girls

Howard Armstrong
Dean of Boys

Have A Problem? Do What 2300 Students Do--See The Deans

Could you check and write permits for six hundred students in less than one and a half hours? Not many could but that is what Mrs. Mignon Anderson Bahney, Dean of Girls, and Howard Armstrong, Dean of Boys, did during the winter when so many students were absent because of the heavy snows.

Even though the deans are busy, since they also teach classes, we find that they still have time to help us with our small but pressing problems. You will always find their doors open to any AHS student or parent.

Many may not recognize Miss Anderson by her new name which she changed in April by repeating marriage vows with Guy Bahney of Ohio.

Secretaries Unsung Efficiency Experts

There are numerous "secretary jokes," but we will forego them in favor of a few words of praise for the splendid job the AHS secretarial staff does to keep the school running smoothly. Keeping files and papers orderly and accurate is quite a task in a school as large as Anderson high.

SECRETARIES—Seated—Mrs. Mary Norris, Trades and Industry office, and Mrs. Virginia Thompson, Counseling office. **Standing**—Pat Jones and Mrs. Barbara Mc Cullough, High School office, and Miss Betty Sizelove, Athletic office

Faculty In Administration

A student doesn't realize the extra work of several AHS faculty men who hold administrative offices until he has forgotten his locker combination, wants a front row seat for the sectional, or has a personal problem. These problems are the type under the jurisdiction of the four men shown at the right.

ADMINISTRATIVE OFFICIALS—Seated—Fred Stoler, Supervisor of the Locker Office, and J. Merrill Coffin, Athletic Ticket Manager. **Standing**—Douglass Brown, head of the Counseling Office, and Howard Lindsey, Director of Visual Aides.

AHS Initiates Librarian, Nurse

Entering the halls of AHS for the first time were Mrs. Claire Moser replacing Mrs. Alma Marshall, former school nurse, and Miss Angeline Pancol replacing John May, former librarian. Both were greeted with innovations. The nurse's office was moved to a new location in Room 101. Miss Pancol got her initiation into AHS by sharing her domain with the bookstore.

LIBRARIAN AND NURSE—Miss Angeline Pancol, Librarian, and Mrs. Claire Moser, Nurse.

Custodians Always On Job

Keeping the school clean and in good shape is the job of the AHS custodians. Often they remain at the school until late at night making sure everything is ready for school the next day and repairing any facility that may be out of order. A small monkey, which one of the custodians kept in their quarters most of the time, furnished them with a lot of laughs and entertainment during the year.

CUSTODIANS—Freeman Bray, Ward Haines, Joe Ring, Dallas Wheat, and Ernest Brown

Trades And Industries

TRADES AND INDUSTRIES—Row 1—Gordon Julius, R. W. Julius, Jesse Huntzinger, Joseph Dye, department head; John Garrigus, and J. L. Hale. **Row 2**—Raymond Griffith. William James, Industrial co-ordinator, Howard Sharpe, E. C. Villars, Vern Shinn, Dane Pugh, and George Berry.

The hum and the grinding of machinery, the clank of work tools, the buzz of saws, all are an indication that the future product designers, machinists, pattern makers, printers, and other skilled laborers are being trained in the classes and shops of Anderson High. The Trades and Industry Department is for the pre-apprentice and technical students.

Faculty Year Includes Dinners, Parties, And A Drenching

"I'm singing in the rain, just singing in the rain." Perhaps Ray Sherman, host to the mens' faculty club, could gaily sing in his slicker, but his guests without raincoats, and completely drenched felt more like singing the blues. September 20 Mr. Sherman invited the men to a picnic at a small park seven or eight miles from his orchard. He also provided transportation in his apple picking wagon. Unfortunately he hadn't consulted the weatherman. The evening concluded with Mr. Sherman driving his guests home in a down pour in the wagon "without a convertible top." This was merely one of five parties the men held this year.

Everyone has heard the routine "Is it a bird? Is it a plane?" It was most appropriate at the mens' Christmas gathering on December 13 at the Conservation Club when the variety of small and unuseful girts was being exchanged.

The "fairer sex" are famous for their debating ability. The ladies faculty group debated all this year whether or not to continue as a club. We have no notes on the contest, but the affirmative side must have won since they held two meetings this year and voted to hold two next year.

At the first meeting in February the members elected new officers. Miss Rive Todd was chosen to replace Miss Alice Higman as president, and Miss Lois Long elected to resume the duties of Mrs. Virginia Vermillion, secretary-treasurer.

On April 30 Critchley's was the scene of another dinner with fried chicken beinq the menu highlight. A wedding and farewell gift was presented to Mrs. Mignon Anderson Bahney who was married earlier in the month.

Foreign Languages

FOREIGN LANGUAGE—Seated—Mrs. Edna Whitson, department head, and L. J. McClintock. **Standing**—David Martyn, and Agnes Scott, substitute for Mrs. Esther Buchanan.

With the theme "one world" becoming more emphasized, knowledge of other languages and peoples is essential. Language subjects like Latin, French, and Spanish stress the study of the customs of the country as well as the language.

Household Arts

HOUSEHOLD ARTS—Seated—Mrs. Agnes Brock, Miss Celia Carson, department head, and Miss Rive Todd. **Standing**—Dorothy Riggs, Mrs. Edna Rhynearson and Mrs. Migon Anderson Bahney.

"Cooking with gas," or electricity, modern homemakers need to know the most efficient manner. This is one of the lessons taught in the Household Arts Department. The department also provides the answers to numerous homemaking problems.

Ray Fleenor relates one of his humerous situation stories to Leo Sanders, Horace Wilson, Lowell Lee, George Berry, and Robert Mc Dowell in the Men's Lounge

Getting the mail and chatting just before classes begin are Mrs. Vivian Maine, Miss Alice Higman, and Miss Margaret Vandevender.

English

The publicity agency of AHS is the English department. It shows its wares to the public through speech and dramatic productions like the play "Our Town," in publications like The X-Ray and Indian, and through creative work published in national anthologies. The department also has a laboratory English course for slow readers, which emphasizes corrective measures.

ENGLISH—Seated—Mrs. Helen Hughes, Mrs. Virginia Vermillion, Mrs. Helen Preston, Mrs. Evelyn Grahame, department head, Miss Lois Long and Miss Dorothy Campbell. **Standing**—Frank Woschitz, Miss Esther Hoskins, Miss Alice Higman, Mrs. Ina Crutchfield, Ralph Boyd, Miss Mary Miller, Clarence Burns, Mrs, Marguerite Hale, Howard Burnett and Miss Margaret Vandevender.

Social Studies

Practical application of the theories of government feature the work of the Social Studies department. Students observe on visits to the state capitol at legislature time and to Washington D. C. during spring vacation. They participate in governmental activities at such things as the model U.N. Assembly, and they do research with a purpose while preparing speeches for oratorical contests.

SOCIAL STUDIES—Seated—Charles Denny, O. L. Springer, Mrs. Mary Kitterman, George Davis, department head, Mrs. Ella Goss and Miss Virginia Lindstrom. **Standing**—James Early, John Finney, Bryon Helfrich, J. J. Bailey, J. Merrill Coffin, Ray Fleenor, and Clifford Swift.

Mathematics

The sum of x is? Well, it depends on the circumstances, but you'll be able to find out the answer through the courses in the AHS math department. All phases of mathmatics are taught from the basic 2 plus 2, to the complicated calculus.

MATHEMATICS—Seated—Fred Stoler, Basil Hosier, department head, Miss Therese Bowen, and Elgin Todd. **Standing**—Herbert Miller, Claud Roney and Fred Weaver.

Biological Sciences

Dissecting frogs, studying a skeleton, and gathering leaves are all included in the biological science department. Quite a combination—but a combination for an adequate foundation in the science field. The actions of man, plant, and animal are the main facts taught in this department.

BIOLOGICAL SCIENCE—Seated—Jesse Stutsman, department head, Mrs. Margaret Doles, Howard Eilar and Robert McDowell. **Standing**—Douglass Brown, Leo Sanders and Max Beigh.

Business Education

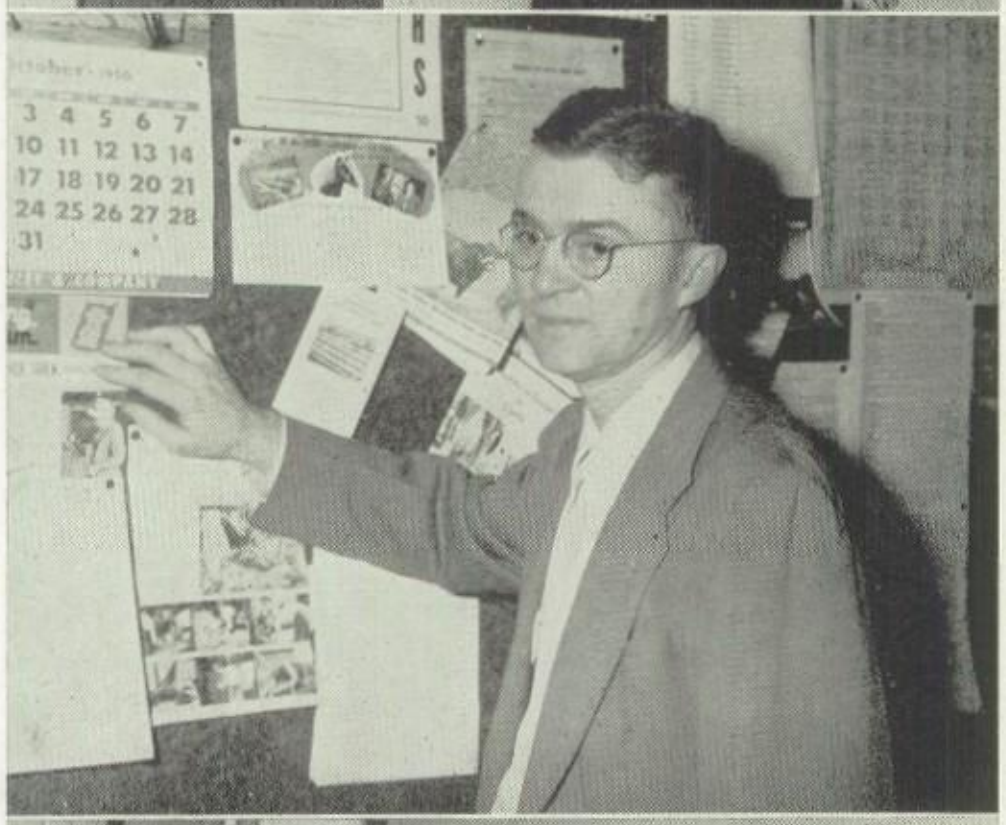
Typing experience, bookkeeping methods, shorthand, sales technique, and realistic business training, are essential needs for anyone who plans to take up business as a career. Teaching these business practices is the job of the business education department.

BUSINESS EDUCATION—Seated—Mrs. Marjorie Austin, Miss Katherine Brown, department head and Mrs. Lucile Railsback. **Standing**—Max Beigh, Ralph Shields, Gilbert Peart, Herbert Lyon and Donald Bowen.

Art

One has only to look at some of the posters, convocation scenery, and the display case made by the Art Department to see the skills that Mrs. Elise Mulvihill and Mrs. Mary McFarland are teaching their art class students who in turn are looking toward the future as artists or designers.

Art—Mrs. Elsie Mulvihill and Mrs. Mary McFarland, department head.



Vocational Ag.

Teaching boys the fundamentals of farming in a high school is a man-sized job and AHS has one man to do it. Horace Wilson, vocational agriculture instructor, is the man. Most of the students get practical experience by putting their theories to work on their own farms. Each year the boys also compete in state agricultural contests.

VOCATIONAL AGRICULTURE—Horace Wilson.

Physical Science

A peculiar smell in the basement of the annex around Room 11 identifies the chemistry laboratory, familiar to many Anderson High School students. Despite foul smelling mixtures produced in this laboratory, future scientists of America are learning the principles of chemistry.

PHYSICAL SCIENCES—Lowell Lee, B. B. Horton, department head, and B. R. Stewart.

Music

Casey may waltz with the strawberry blonde but the AHS band plays on. At numerous school activities we find them playing for the crowd's enjoyment. Of course the orchestra will also be remembered for its performance at the senior Baccalaureate and Commencement services.

MUSIC—Richard Rencenberger, Miss Mary Ruth Palmer, and Thomas Clem, department head.

Physical Education

Swing and sway was added to the Physical Education Department this year in the form of modern dancing taught by Mrs. Barbara Dietrich and Keith Lambert. Another innovation was an intramural basketball league for the boys. Gym students participate in groups in these activities.

PHYSICAL EDUCATION—Seated—Carl Bonge, department head, and Mrs. Barbara Dietrich. **Standing**—James Early, and Keith Lambert.

Safety

"Hold it to the right. That's it, now cut hard." These are merely instructions given by a driver training teacher to a novice at the wheel. Not all schools provide the advantage of this course and the classes are well filled. The department has a dual control 1951 Mercury and a 1950 Chevrolet.

SAFETY—Seated—Mrs. Barbara Dietrich, Howard Lindsey, and Walter Manifold. **Standing**—George Berry, Lowell Lee, and Herman Hallett.

Anderson Offers Graduates Place To Live And Work

Businessmen of Anderson, whose advertising appears in this yearbook, have aided the youth of this city with their various programs throughout the year. There are few places in the world where one can find so many opportunities for jobs. Inrustries and private enterprises of all kinds afford opportunities for competent young men and women.

Many graduates of this school have begun their careers in Anderson only to go to the top in other parts of the world. Much of their success has been due to a good beginning, and a good place to begin your life work is right here in Anderson, Indiana.

You're on the beam with GUIDE original equipment lamps on YOUR car or commercial vehicle---and more so after you have added one or more of the following necessary items

All these are yours

YOURS IS COMPETITIVENESS . . .

You have learned to get ahead by your own honest endeavors, to accept setbacks but to strive all the harder to attain your goal.

YOURS IS SPORTSMANSHIP . . .

You have learned to play the game hard, and to accept defeat and victory in a gracious manner.

YOURS IS TOLERANCE . . .

You have learned to respect the opinions of others, no matter what their race, color, or creed.

YOURS IS INTELLIGENCE . . .

You have learned to apply yourself, to overcome problems by the simple process of reasoning.

Competition is the meat of the great American pie; Sportsmanship is the seasoning. Tolerance is the crust, and Intelligence is the know-how in the making of the pie. In these times of hatred and oppression, America must have men and women endowed with these four characteristics, and *all these are yours.*
